Digital Revolution of Hindi Newspapers by Jon Smith

Article published on July 10th 2012 | Ebooks

News is the best means of staying updated. Different news resources share information on significant national and global issues. In-fact, if you want to stay updated with current happenings around the world, there is no better means than news. Over the time, news sharing has gone through magnificent transformation. In India, such transformation represents a significant journey of news sharing resources. It started with the newspapers, turned to radio news, than television news and finally to the online news, the latest means of sharing news.

The latest digital revolution of news is getting huge response from the worldwide news readers. Nowadays, people around the world prefer to turn online to get their daily doses of news. Such change has been welcomed by news paper readers in most of the countries across the globe. In this race of digital revolution, Hindi news sharing resources are also not lagging behind. Most of the Hindi news sharing dailies are turning online to share news with its targeted audience. From villages to metropolitan cities and from Delhi news to international news, you can easily read news on significant national and international current issues by browsing online for Hindi news live. Type the word, â€œbreaking news in India in Hindiâ€• in any search engine and you will get information on a large number of web resources sharing daily news in Hindi.

In the present era, when internet has become important part of lives of most of us, it has become crucial to share news in Hindi, so they can access news in the language with which they are most comfortable with. In country like India, where Hindi is the first language of more than 80% of its population, it is important to provide a digital source of news for them in their own language.

Online Hindi news is not just a better means of accessing news but also an effective way of emphasizing importance of Hindi at a global platform. It is crucial for bringing Hindi in par with the national languages of other countries. Thus, whether you want to access daily Delhi news or Mumbai news, online news has emerged as one of the most effective means of accessing breaking news in India in Hindi.
