There are entrance exams before the admissions to the various courses. The details of the admission process have been outlined in the official website of the university. AMITY University admission form dates are announced online through flashes and notifications.

AMITY University Faculties

The Amity University in Haryana employs some outstanding faculty in all its courses, many of which are headed by former vice chancellors of renowned universities including Roorkee University. Besides the excellent faculty the university has a wielded strength of former Generals of the Indian Army, IAS and IPS officers, renowned scientists, former CEOs of PSUs etc.

The faculty is academically and professionally amongst the top lot and possesses moral and ethical values for being the true role models for their students.

The Core Faculty consists of distinguished academicians from the best institutions and leading professionals from the corporate world with rich industry experience.

Besides the permanent faculty, professionals from the top ladders of the corporate world hold talks, classes, seminars and discussions with the students in the classroom. This gives the students enriched experiences and knowledge about their subject matter. A lot is learnt about how to apply theory at work “places.

AMITY University Results

Students of various courses are evaluated on a continuous & internal basis through class work,

periodical quizzes, tests (sometimes unannounced), tutorials, laboratory work, home work, project, etc. and a comprehensive examination at the end of the semester. The academic year is divided into two semesters, and a summer term, whenever offered. The performance of a student in each course is assessed by the teacher by means of continuous evaluation throughout the semester. Thus the students are offered with a large number of opportunities to demonstrate their talents and be evaluated. This certainly encourages and rewards continuous and systematic study with a systematic and constant feedback, enabling them to cultivate regular habits of study. AMITY University exams at the end of the semester are a written and theory exam.

AMITY University Facilities

Amity University, Haryana has a superb infrastructure and set of facilities, enabling excellent educational activities for the students and the staff. High standard facilities can be compared to those provided by the leading universities of the country. The facilities at the campus include Placement Cell, Infrastructure, Parenting Club, Science Park, Hostel and Transport. The university is well run to keep the students and the faculty satisfied.
