Are you looking placement oriented MBA colleges in India by Ary

Article published on May 14th 2012 | Education

Management programmes have always been in demand. Majority of the students prefer for an MBA. There was time when highly demanded subjects were Medical and Engineering after 12th. But as the time passed on, the management programmes have also secured a top position in the map of country for giving managerial leadership quality to the young minds of India. MBA is a 2 year course after graduation. There are various branches of MBA.

Need of world class managers is always felt in every field like IT, insurance, Banking, Airline, Hospitality and many more. To fill the positions, the management institutes in India have given the prominent management leaders

India has some of the prestigious MBA institutes like Indian Institute of Management (IIMs). They are known world wide for its education quality and the placements that they provide. Students get into these institutes through Common Admission Test (CAT) which is considered the toughest entrance exam. Apart from IIMs, there are several other MBA institutes in India that are best known for their quality.. As Delhi is the capital of India, it is the centre of attraction for almost anything and everything. Be it tourism or education, Delhi remains the epicentre of India. It has some of the best MBA colleges in India, from where you can give a boost to your career. To name few of them are Jamnalal Bajaj Institute of Management Studies, Narsee Monjee Institute of Management Studies, Xavier Institute of Management, Institute of Management & Technology, Loyola Institute of Business Administration, Symbiosis Center for Management & Human Resources Development, Indian Institute of Foreign Trade, S. P. Jain Institute of Management Studies etc.

These MBA institutes in India offer best infrastructure, education and placements. Top companies visit the campus either for internships or for permanent jobs. Domestic as well as international offers are made to students. The salary package offered to them is quite handsome.

The salary of MBA graduates is basically dependent on the reputation and credibility of the business schools. Students from top business schools or institutes have always been in demand. They have been offered the best salary packages all over the country. Business schools like XLRI-Jamshedpur, FMS-Delhi and S P Jain-Mumbai are also not far behind. Their placement record shows the education quality they are receiving. Many other business schools have also similar encouraging news related to salary. Multi national companies visit the campus either for internships or for full time joining.
