Public school is running by the private firms and that is affiliated by either CBSE or ICSE boards in Chennai. The motto of Chennai public school is lays in not only providing the academic excellence to their students but also they are doing makeover of their entire personality. This is a day school that catering students from play ways to class 12th. They are taking out each and every hidden specialty of their students and exploring them to the best of its uses for the students themselves and nation's betterment.

CPS have been included all those facilities that are essentials for the right growth of their students in the academic and non academic syllabus. Chennai public school is situated in Annanagar area in Chennai. The infrastructure and teaching staff are excellent in helping the students for their better studies and upbringing. Students from across the nation and abroad are seeking admission to this school due to its good popularity among the parents and students.

The school makes students so compassionate about their studies and other hard workings for the life so that they can easily cope with any situations that come in their way. Students who are coming from other parts of the country can avail day boarding facilities in this school. This is a school which caters world class study pattern for their students with individual attention. The canteen is works for the services of the students and any other visitors. They are highly instructed to be following all the hygiene, nutrients and varieties with qualities before serving the food items to the students. The over all environments are made in such a way that the students will feel the protection, fun and zest to learn always more. Minimum by the age of 2+ you can enroll your child in pre primary levels.

At KG many activities includes such as sketching, craftwork, clay work, creative English classes, Shloka class, Western and other dance, instrumental music and singing (classical). Students who are weak in catching all such curriculums teachers are always please to provide them extra classes to cover up the course smoothly. All the classes are well equipped by the smart class structure that include fully computerized and audio visual plasma techniques to teach the students with best teaching methodology. Time to time inter house and intra house schools competitions on various academic and non academic issues also enhances children caliber as well as enthusiasm towards studies.

The extra curricular activities include field trips, cultural events, environmental and social service projects and campaigns. Specialist teachers are provided for French, Spanish, Drama, Music, Art, PE and Technology. Students can avail the admission form either from school directly or down load the form from schools' website and submit it by attaching a demand draft with it. Or you can use online school admission methods too. This is an easiest method through which you fill the schools admission form online and its cost very limited amount as compare to the facility they provide.

You can use this facility from anywhere in the country and can apply for the end number of the school at the same time. The schools department will contact you back for further admission process. Chennai is the host for the Best ICSE schools in Chennai. ICSE schools are basically following the international curriculums in India that is completely English medium. They are providing the study curriculums up to 10th grade only. But students will have better chances to move aboard if they have cleared theses exams with good rankings.
