It is always said that strong base leads to strong future. So why not participate in educating the child and bring happiness to your own home. Ghaziabad, one of the largest city of Uttar Pradesh is witnessed to be a home for many small, medium and large scale industries. This is a reason why it has now become a hub for a number of educational institutes.

The most important factor for its growing economy is good education institutes. The city is home to some of the best universities, colleges and schools. Nursery schools in Ghaziabad offers modern infrastructure accompanied with digital classrooms and latest technologies. These schools provide well qualified and trained teachers because this is the first time when a child face transition in their life.

Nursery schools thus facilitate kids with all the basic values and manners that are essential before stepping out to enter in some primary school. Tiny tots are eventually groomed in happy and homely environment. There are play grounds, audio visual aids, dance facilities and a lot more that enables overall development of a child.

Some of the most reputed public schools in Ghaziabad are:

â€¢ Kendriya Vidyalaya

â€¢ Ingraham Institute English School

â€¢ DAV Public School

â€¢ Bal Bharti Public School

â€¢ Delhi Public School

â€¢ K.D.B. Public School

â€¢ Nehru Public School

â€¢ Holy Child School

â€¢ Ingraham Higher Secondary School

â€¢ Schiller Senior Secondary School

Among these, Holy Child School is a convent school growing at a fast pace. Being a convent school, it is affiliated to ICSE board, while other public schools follow curriculum pattern formulated by CBSE board. Schools are close to residential localities so that students do not have much difficulty in travelling. Academic as well as non academic programs are given equal precedence as for a holistic development the school curriculum must be a versatile curriculum.

Similarly International schools in Ghaziabad are located in the most posh localities. They have flexible academic structure that helps students understand the concepts easily and efficiently. These schools follow the IB curriculum. For higher classes, that is, 11th and 12th standards, school provides IB diploma by Geneva. Physical exercise classes form an indispensable part of school

curriculum. Yoga classes are held regularly for the children so that they can develop a healthy body. Small kids are provided with specially planned play items that help in sharpening their creativity. Games like puzzles and building blocks help the little learners improve their self-confidence.

Schools here are remarkably contributing towards benefits of society. They try to mould the behavior of students and make them strong enough to face the problematic situations diligently.
