Irony essays are considered as one of the most complicated essays to write. You have to demonstrate your irony essay in a way that your readerâ€™s audience gets convinced with your conflicting standpoint. No way if your essay is about dramatic irony or verbal irony, you have to convince the readers with your confounding standpoint. Below is a step by step guide to write a 5 paragraph irony essay about 2 stories that you had better follow to create victorious essays on irony:

Step 1

Introduction: Letâ€™s say; your 2 stories are â€œThe Cask of Amontilladoâ€• and â€œThe Necklaceâ€•. I should describe the two-sided meaning of irony; then you have to give a brief intro about authors of the stories i.e. â€œEdgar Allen Poeâ€• of the vat of Amontillado and â€œGuy de Maupassantâ€• of the Ne After that, you have to include your thesis concerning with these 2 stories about irony.

Step 2:

Body Paragraph 1: In first paragraph of your body, you should exemplify the irony about first story â€œThe Cask of Amontilladoâ€•. After giving an example about your essay on irony concerning with this story; you should mention the purpose that irony has served in â€œThe Cask of Amontilladoâ€•.

Step 3:

Body Paragraph 2: In second paragraph of your essay body, you should illustrate the irony about second story â€œThe Necklaceâ€•. Later on giving an example about your essay on irony pertaining with this story; you should cite the purpose that irony has served in â€œThe Necklaceâ€•.

Step 4:

Body Paragraph 3: In last paragraph, you should mention the similarities and disputes in the irony of 2 stories that you are being assigned to.

Step 5:

Determination: As your essay is all about irony, so your finale should be grounded upon it. In your irony essay; you can depict how irony has arose across the world from past to present nonetheless, your description should be related with subject of your stories.
