Flexibility for our corporate clients

CPD Interactive aim to be as flexible as possible for our corporate clients. We want your lawyersâ€™ online learning experience to be easy and engaging.

If you have your own Learning Management System, we fully integrate our solutions into your environment. If you donâ€™t have a Learning Management System, we provide one for you, either as part of our subscription service, or through the pay as you go program. And, we offer you management tools to report on your lawyersâ€™ progress.

Services and subscriptions

We offer subscription package to suit your needs. You can select from a range of stand-alone courses, with content provided by expert authors and purchase the courses individually, or as part of a bundle / subscription.

Customization

If you have your own content that you would like to offer your staff via online learning, we can develop the content into online courses to suit your needs. Contact us to discuss your requirements.

Two ways to pay:

1. pay as you go, choose courses and pay through the secure shopping facilities

2. by subscription â€“ this is very cost-effective, and is aimed at learning and development managers / law firms who have to manage the needs of a group of professionals.

Single courses are priced at $99 or $199 (for premium content), with discounts available for bulk purchases. Contact us to find out more.

Subscription package

The more people who need professional development training in your organization, the greater the savings. Meet the CPD needs of a large number of lawyers over a year for a few dollars per lawyer.

The subscription package consists of a predetermined selection of our courses. You have unlimited access to these courses for a year. The price you pay is determined by the number of lawyers in your firm. You can add any of our premium modules to the subscription package for an additional fee. Please contact us if you are interested in discussing our subscription options.

Call us on 1300 85 45 11 or email us to find out more. We can find a solution to meet your needs.
