Delhi - a Hub of Schools by Raj

Article published on April 26th 2012 | Education

Delhi is a true metropolis where life is so fast paced that the people living there have no time for anything except their work. Success is what they all want to achieve. Everyone is running in a steep race of success, fame and money. Everyone wants to work hard and do big. This is what metro cities are known for. There are lot of facilities which are served by Delhi. It has all the big malls, hospitals, parks, stores, companies and many other things.

Delhi is always considered as the centre of excellence. There are many good known schools, universities, educational institutes in Delhi which are famous nationwide for the quality of education they provide. People of Delhi always want to send their children to the best schools. They have big dreams for their children and want that their children become successful in every field. There are various schools in Delhi. These schools provide world class school education and nurtures young minds to take challenges in academic and in life. Facilities offered in top schools in Delhi are excellent in terms of classrooms, libraries, laboratories and every other thing a student needs for academic excellence.

These schools also focus on personality development and provide facilities for extracurricular activities and sports and games. Schools in Delhi are first choice among students and parents. These schools offer education in whole range of study disciplines, arts, sciences, commerce and many other for students of higher classes, while up to standard 10th all Schools follows general syllabus and makes all subjects compulsory. There are many top schools in Delhi recognized as centers of excellence to its credit, Kendriya Vidyalaya, Delhi Public School, Modern School, Bal Bharati Public School and may others; reason enough. Delhi is considered as Hotspot of school Education among major cities in India.

There are parents who want to send their students to the boarding schools as they do not have enough time to take that extra care of their children. Boarding schools also prove to be a boon for students who have moved out of their cities or homes to study and have no guardians residing in the new city. Students need to have freedom from all kind of tensions when they are striving hard to get good marks and boarding schools in Delhi provide them all those facilities and amenities to make them feel at home. Boarding schools are often called homes away from home. Apart from the usual facilities like a mess, study room, boarding room, bed, table and chairs to sit and study in the room, various other kinds of facilities are provided by a renowned and an infrastructure-wise strong schools.

Many cities in India have boarding schools and one such city is the national capital, Delhi that provides quality boarding schools for students. Boarding schools in Delhi provide many facilities apart from the usual ones to the students. Their state-of-art infrastructure and friendly environment make students feel comfortable and the friendly staff makes them feel at home.
