Article published on July 18th 2012 | Education

Sonepat is one of the developing industrial cities of Haryana. The city has shown an all round development in the past few decades. The city comes under the Sonepat district of Haryana state. The city has well performing schools, colleges, institutes and Universities. Some of the well known Universities are like Deshbandhu Chotu Ram University of Science and Technology; O.P Jindal Global University; and Bhagat Phool Singh Mahila Vishvawidyalaya. One could easily search for good schools in the city as the schools in this city have maintained their online websites where you can easily search for the school related additional information.

One of the well known schools of the city is the Gateway International School. It is located at Gateway Campus, Sector-11, Sonepat; Haryana.This is a co educational school and has classes starting from Pre nursery till the twelfth standard. The school is CBSE affiliated and has English as the medium of instruction. The school has always envisioned of providing excellent education with age old values. The school has a remarkable infrastructure and more impressive academic study program. The school has always believed in providing the best education to its students. The school has an experienced and dedicated faculty staff. The school has well designed class rooms which are air conditioned as well as fanned for giving a comfortable study zone to the students.

As the school has a very vast campus area so it has a really infrastructure and related developments. The school has its own swimming pool for the students as well as gymnasium. The school also provides residential and day boarding facilities to its students. This world class school has a tight security and safety systems for the studentsâ€™ safety. The school also provides mid day meals to their students. Without any doubt we can easily enlist this school as one of the renowned schools of the city. The school takes pride for imparting diverse yet comprehensive education to its students.

The school gives equal stress on academic and non academic activities. The school encourages its students to take part in different cultural and talent hunts as these programs develops an overall persona of an individual. The school also has separate activity rooms for various co curricular programs. Small students are also provided with a large toy room. A twenty four seven water supply as well as clean and hygienic canteen is also provided for the facility of students.

The schoolâ€™s academic program is really innovative and abreast with the ongoing education updates. The school has shown better results in the board results. Thousands of students have already graduated and many more to graduateâ€¦the school has been increasing its alumni group since its inception. The school takes pride in always motivating its students for doing hard work and giving them proper guidance towards always taking right decisions in their life. The school has provided their students with all the modern day education kits and equipments. There are separate laboratories for different subjects. The school envisions giving a never ending world class experience of learning.
