Education with Focused Aim in Shimla by Raj

Article published on July 7th 2012 | Education

Shimla is a beautiful city of the country and is a main tourist destination. The city serves as the capital of Himachal Pradesh and has a high literacy rate of almost 84%. Education in Simla has not evolved over the years but Simla has been the hub of good schools since the British rule. Almost all the schools of the city are affiliated to the ICSE or the CBSE board. The schools are well known and attract students from the other cities too.

The best schools in Shimla are Govt. Senior Secondary School, S.D. Senior Secondary School, DAV Senior Secondary School, Jesus & Marry School, Hainault Public School, St. Thomas School, St. Edward Senior Secondary School, Sacred Heart Public School, Shimla Public School, Bishop Cotton School, Arya Senior Secondary School (Girls). All the schools of Shimla are of a maintained standard. Their aim is focused and never compromise in terms of the quality of the education.

St. Thomas School near Artrac Shimla is a co educational senior secondary school affiliated to the CBSE board. The objective of the school is to prepare students for the technological future by keeping them up to date always. The students are taught as well as encouraged to learn through observing things themselves. The world is full of knowledge, a person can learn from anyone and anything if the person has the ability of observing things. The students of the school inculcate immense curiosity about everything that they themselves start to observe. The personal belief of the school is that in todayâ€™s era it is important that we cultivate not just winning habits in children to succeed in the material world but also values to be a responsible citizen and happier, contended individual.

The campus of the school is huge equipped with many classic facilities required for the growth of the students. Such as library with large number of books, physics lab, chemistry lab, biology lab, computer lab, art room, music room, Badminton court, basketball court and indoor and outdoor sports facilities. The school hall of the school is one of the best school halls of Shimla that can accommodate 400 students at once.

DAV Senior Secondary Public School located in Lakkar Bazar of Shimla is a very popular school of the place widely known as the temple of learning. The school is co educational and is affiliated to the CBSE board with English as the medium of instruction. The school has the amenities of Science (Medical and Non-Medical) Commerce and Humanities streams at plus two levels along with IT (Computer education at all stages).

The school campus is spread over a large area with a playground in which all kind of major games can be played easily. The school does have a well-equipped and systemically planned library to satisfy the appetite of reading books and other requirements of students. The library is infested with all kinds of books related to all subjects and mainly of all competitive purposes like medical and engineering. The school also subscribes all required magazines, journals and Hindi and English newspapers regularly. Students who are not residents of Shimla are not required to stay out of the school after classes; the school curriculum includes day boarding into it.

Shimla is a peaceful and beautiful place. It is cleaner and a perfect place to concentrate on the education with greenery all around. Almost all the schools in Shimla are situated in such a calm environment.
