Article published on April 16th 2012 | Education

NIMT School in Shastri nagar is a Pre Nursery to Class X, a professional studies School. It is located in Ansalâ€™s Avantika, Extension Phase-II, Near Water Tank, Shastri Nagar, Ghaziabad, UP. It is following IB curriculum which is available for PYP Cambridge IGCSE and MYP (IB diploma by Geneva). NIMT is a world class school. It is providing the facilities of digital class rooms in the whole school. The school is well equipped with all indoor and outdoor games collection too. Being a frequent player of some games make students developed in their physical and mental strength. Playing games also generates a team spirit among all studentsâ€™ means they will come to know the strength of â€˜unity in diversityâ€™.

The faculty members are very highly talented in their skills to handle various students who are coming from different background, culture and traditional adaptations. The teachers are treating each student equally without any bias. Students can also learn foreign languages such as French and German starting from V standard onwards.

Every year competitive exams such as Mathâ€™s & Science Olympiad art are conducting in India where NIMT school students are also participating and trying to show their talent in all India level. The school teachers are also very helpful to prepare their students for compete these exams. Scholar students from these exams that also highlight the school name in top scoring list of talented students.

NIMT is also providing day boarding or hostel facilities to the students who are coming here from far away places and are having no personal accommodation to stay. This is an extra facility to the students which is not being given from any international standard school in Shastri nagar.

NIMT is collaborated with Hughes network for preparing students who are aspirants of medical and engineering exams. After clearing exams from here a student can get admission in Career Point or Kota institutes after 10th board exams. All the experienced IB teachers are also involving in this teaching pattern so that students will feel comfortable at their own school level and easily discuss their problems with these teachers.

After getting studies from NIMT a student will be well acquisition with their subject knowledge, they will learn the skills of study planning through keen observation and experimentation in the area of social and natural sciences as their career perspective.

All the play schools in Shastri nager are meant to develop the studentâ€™s aesthetic perception by devolving their interests in art and craft classes which are conducted in schools. It also enhances the social responsibility, a desire to participate in maximum competitive and co curricular activities. Such types of acts develop studentâ€™s sensitivity too about themselves and the nature of world around them. All the play schools are adopting the methodology of learn with fun style.

Various schools in Shastri nagar are providing the excellent education system with modern curriculum to teach the students in the best possible study environment. For weaker students all the schools are also arranging customized teaching remedial classes to make them equally caliber like other co students of their class. Time to time parents and students can seek good guidance with the school appointed counselor such as in relation of studentâ€™s career too. These schools are providing the entire hi-tech pattern to teaching and learning way. Thus, we can say that the Shastri nagar schools can become the best options to study for all the modern kids.
