Article published on April 17th 2012 | Education

The quality of teaching, learning and grooming which we acquire at the early age of life can make or mar all the challenges in our life after school is a well known fact by one and all. Schools in Gurgaon are recognizedamong various reputed educational institutions with good standard incomparison with most of the other schools in the Delhi NCR.

Studies say that people are getting satisfactory jobs of these schools in academic and non academic services provided by them. Every year the school's annual results are also outstanding which speaks the reality by itself. All those qualities are fair enough for a parent to get their child enrolled in any of the recognized and famous school in Gurgaon.

Aakash Public School is located in Sector 5, Gurgaon. The school is providing quality education to the students with the best teaching and learning atmosphere. It is an English medium,co-educational school affiliated to Central Board of Secondary Education (CBSE). The school is dedicated to provide the world class educational facilities to the students and offers education from Pre-nursery to Class X.

Aakash Public School is well equipped with the modern infrastructural facilities withquite spacious& ventilated class rooms, the latest technical teaching fittings in each class room, rich and complete books collection hall for a library, best in the computer labs, science lab and the long playground.

To ensure the all round development of the children, the school encourages the students to take part in various co-curricular activities which are held in school such as in music, dance, arts and various other indoor or outdoor sports activities. Being a student in Aakash School each child is fully encouraged to discover and develop their own creativity through a set of well-planned scholastic and co-scholastic activities.

The Aakash School plays enormous emphasis on building a strong moral character, excellence in academics and a disciplined approach to solving problems of life of each student without bias. It forms the hub of objectives to help in achieving the broader objective of transforming a child in to an intellectual and matured person, they would become focused and a disciplined citizen of tomorrow with a deep faith in the affluent Indian culture, ethics and heritage.

Play schools in Gurgaon plays a vital role in the total upbringing of the kids. Children in the age groups between 1 to 3 years do not pay attention towards the through studies. Instead of that they are playing with toys, interacting with same aged other children, listening and copying words etc. This helps them to learn many things by staying apart from their family members. Parents are placingtheir kids in some reputed play school to make themplay with various toys and can be habitual to speak different nursery rhymes.

There are some educational games like building number blocks, cards with alphabets, nursery rhymes, playing train games, dolls, toys, and many more soft toys are there to enjoy your kid in the unknown place. Such type of mixing atmosphere develops a child confidence in common.
