Article published on June 27th 2012 | Education

While preparing for board examinations, we have often heard about the various benefits that practicing sample papers, guess papers, and the course books allow. But a question arises, how does CBSE solved papers help a student in preparing for his/her board examinations?

The answer to this question is very simple. The way sample papers help a student in areas such as time management, practice, etc; CBSE solved papers help in the following:

1.First of all, CBSE solved papers aid a student with the right way of answering questions that would definitely fetch better marks than the other ways. This is so because, when a CBSE solved papers is given, the answers written in them are given by the expert teachers and professionals who now how cbse allots marks.

2.Secondly, the CBSE solved papers also tell a student about the size of answering a question carrying specific marks.

3.Thirdly, the solved papers are a source of knowing answers to the questions on which the student did not have or has very limited knowledge. After referring to the solved papers, he/she will know the right methodology as well as the most perfect solution to the question in doubt.

4. Fourthly, CBSE solved papers are an additional source via which the students can practice along with the main course books and guess papers, sample papers, online material, etc.

5.There might be a situation that a student knows about a topic but he/she finds it difficult to understand the main idea of the question and hence is unable to answer a question to which, he already knows the answer. in such a case, solved papers help him ascertain the main meaning of the question and hence answer it in the most appropriate way.

6.Questions having keywords such as describe, explain, brief description, etc are required to be answered differently. In these cases. CBSE solved papers help in knowing how to answer a question on the same topic but having different prefixes.

All these are the reason that CBSE solved papers are also very helpful while preparing for borad examinations whether in standard 10 or 12. Both the classes have a new chapter to unfold and hence in order to achieve the aimed dreams, whatever practice sources are provided, always seem less. So, practice as much as you can and from wherever you can. In the end, practice only polishes oneâ€™s knowledge and it is required to acquire as much knowledge as one can so that one can get maximum marks.
