Article published on December 27th 2011 | Education

India on the world stage essay is frequent assignment with a view to develop the ability or analyzing the world economic scenario of the students. India on the world stage essay can be difficult for you have to search a lot about the India globally. There are two approaches for writing India on the world stage essay, first; you have to accept the fact that India will be on the top of worldâ€™s economic platform. Secondly, you can provide your disagreement in it.

In either way, the India on the world stage essays would demand evidences and proofs to claim your standpoint to be true. Letâ€™s say you are in favor of the statement that India will be on the worldâ€™ stage sooner or later. We will be providing you with a comprehensive guideline for writing India on the world stage essay in favor of the statement,â€• India will be on the worldâ€™s stageâ€•

First step would deal with introduction writing:

Introduction should posses at least three component otherwise it wonâ€™t sound complete at all; the three components are thesis statement, points that would be discussed later on in the essay and the background to the topic. The opening should be given much focus and concentration like;â€• With such a drastic growth in software and information technology, we would see India soon on the top of economics giant countriesâ€•. Another important aspect of an introduction is a topic sentence that would support the thesis statement as a whole.

Second step would deal with body paragraph writing:

Body paragraph number 1:

First body paragraph would be discussing Indian relationship with the foreign countries, what are the trading conditions with them? What kind of relationship does India enjoy with its neighboring countries? It is advisable to provide a little background of India before you start writing about its relations with other countries.

Body paragraph number 2:

Now, itâ€™s time to tell the readers why Indian economy is sky-high, the biggest reason is the boom of information technology in India so discuss this reason in detail in the second paragraph

Body paragraph number 3:

There are other factors as well which resulted into a flourishing economy in India, like strong democratic government and the education level in India. This has immensely boosted the economy of India; donâ€™t forget to mention these points in your India on the worldâ€™s stage essay.

Third step would deal with conclusion writing:

Simply, you will summarize the whole India on the world stage essay in the conclusion; also provide the thesis statement again so as to claim that you were very right. You can also mention some of your viewpoints about the Indiaâ€™s expectancy economy rate. Donâ€™t provide something new in the conclusion that would create whole new set of confusion for the reader.

Hence, you should follow the above told three step guideline to write India on the world stage

essays. You must also ask your teacher if you are facing any problem or confusion while writing India on the world stage essay.
