Article published on May 3rd 2012 | Education

Education is the only one asset which canâ€™t be stolen by any thief. If a child is passing out from a good school which accumulates all the necessary upbringing traits for the childâ€™s all round development can be called a good school.  They are good English medium school with co-education in Delhi. Being the Capital, New Delhi has made its way into some of the finest schools in the country. Delhi Schools are also considered to be the highest standard categorized in the nation. They work under several boards of education like CBSE, ICSE, and IGCSE which is headed by directorate of education in India. Admissions into these schools start from the month of February for senior and middle level classes and from December in junior level classes. The fees structure of each school is vary from another one.

There are many schools in north Delhi, where CBSE Board School in North Delhi is most popular then others. Numbers of public schools are affiliated by CBSE to provide the quality education among the students.  All the north Delhi CBSE schools students are always ready to give competitions to other schools in their annual results and other cultural & sportsâ€™ activities. General viewers are offering a big round of applause after watching theses programs live.  All the schools have prime task of making their students with the abilities of multi task, quick decisions makers and with strong character.

Students can gain all round developments and growth opportunities from the schools of CBSE Board Schools in Rohini.  These schools are providing the best school infrastructure with highly qualified & experience faculty staff to cater the students for their higher academic and non academic growth. The board results of these schools are also sky rising every year. CBSE board schools in East Delhi are also comes in high demands by the parents.  There value based educational teachings are most relieved by both parents and students. The efficient work and credibility of these schools have often been captured the lime light of both print and electronic medias coverage.

All the school facilities have made in such a manner that it should provide maximum comfort to the students in catering the studies such as good and well equipped library, science and math labs, auditoriums, play grounds, first aid and medical room with good attendant, etc. The school faculties are also very qualified and professional in providing the best teaching learning aids to all the students with individual attention.

All the schools are providing three streams at 11th and 12th standards which include science commerce and humanities. The total curriculums of these subjects are also based on todayâ€™s professional courses options at graduation level. The teams of management committee members are all comes from many eminent ex scholar ways in the education field only. They are always making such type of amendments in the school management that it will provide the best & satisfactory value based education and teaching staff to your kids forever.
