Every year reagent thematic essay examinations are being held by New York State education department, themes are prescribed in the examinations so students have to prepare themselves a lot for appearing in the examination. The examination is based on a guess work; perhaps this is the biggest reason for the failure of the students.

Therefore, students should work on their writing skills more to come up with a good thematic essays in reagent thematic essay examination. Following are some of the tips that a student should follow if he wants to fetch the score of five in thematic essay.

1- You have to first grasp the whole idea of the task in the examination, make sure you what you are writing for thematic essays. Develop ideas and deeply analyze their connection with the topic of the thematic essay derived from the essay question.

2- You must develop three to four ideas to discuss the essay topic in the thematic essays.

3- Keeping all of the four ideas in mind, you must then see what are the available evidences to support your stance in the thematic essay

4- It is advisable that you don't opt for descriptive writing, instead go for analytical way of dealing with the essay question. Analyze the task at hand, evaluate it from every perspective possible and then develop ideas to deal with the problem.

5- As stated earlier, you must focus a lot on the proofs, facts and evidences for every single argument you are dealing with. To make it more precise, you must develop and discuss several reasons that are reasonable enough to support the topic of the thematic essay.

6- You must concentrate a lot on the organization of the thematic essays; there should be a logical arrangement of ideas mentioned one by one followed by the examples, evidences and topic sentences.

7- The introduction must reveal the basic purpose of writing a thematic essay, there must a powerful reason to compose such type of essays. Make sure the introduction has the following components to make sure the introductory paragraph is complete.

8- In the body, you must provide a detailed expression of all the major points that you discussed in the introduction the thematic essay.

9- While in the conclusion you must incorporate the thesis statement again to restate the fact the you were right in your claim. Also, tell the readers about all important points that you discussed in the body of the essay. It is optional but if you want to provide some of your personal viewpoint about the topic in the climax of the thematic essay.

10- The greatest key to success in thematic essay is the revision; don't forget to revise your essay before the final submission. General errors may cost you a lot if you neglect them in thematic essay.

Hence, I hope that the preceding ten tips would be useful for you to appear in reagent thematic essay examination held every year by New York education department to improve the literacy standards worldwide.
