Jabalpur Schools Transforming Potentials into Reality by Suresh Khare

Article published on July 20th 2012 | Education

Jabalpur is the largest city in the Indian state of Madhya Pradesh by area which is located in the Mahakaushal region. It serves as the cultural capital of the state. The city has an average literacy of 75% which has increased in last years and is expected to increase even more rapidly. The city is also considered as a reputed center of academic excellence as it consists of innumerable schools. Many schools of Jabalpur are a hallmark of the outstanding academic performance that the city has achieved.

The schools in Jabalpur are mostly affiliated to the Central Board of Secondary Education (CBSE) and some are affiliated to the ICSE board or the state board. The city is endowed with several Central schools (Kendriya Vidyalayas and the Army Schools) as well as convent schools. While English is the medium of instruction in most of the schools, some schools offer education in regional languages. The schools in the city are administered by the government or by the private bodies.

Best schools of the city are:

â€¢ Bachpan Play School

â€¢ SHEMROCK Pink

â€¢ The Tree House

â€¢ Podar Jumbo Kids Plus

â€¢ The Tree House

â€¢ St Josephâ€™s Convent Senior Secondary School

â€¢ Central Academy English Medium School

Gyan Ganga Public School is one of the most reputed schools in the city that is located in Wardhman Square By Pass Junction Bheraghat Road Vill Kugwan Po Tewar of Jabalpur. The school is dedicated to prepare their students as responsible citizens with a sense of integrity and honesty, spirit of adventure and exploration, research and creation, understanding and respect of the rich cultural heritage of India. Each child is made aware of their potential and hidden talent and is encouraged in the field.

The mission of the school is to provide world class quality education and to develop innovativeness through industrial exposure and practical approach. The school is co educational and is affiliated to the CBSE board. The school aims at multi-dimensional development of childâ€™s qualities of head & heart in order to ensure an integral growth of his personality. IT lays equal emphasis on the intellectual, emotional and physical development, self confidence, sense of values and good habits of the children.

Another school that maintains the high educational standard of the city is Delhi Public School which is located on the Mandla Road. The campus of the school acquires 10 acres of the land and is surrounded by beautiful lush green environment. The school is affiliated to the CBSE board and strictly follows all the rules and regulations made by the board.

The objective of the school is to instill sensitivity, practical wisdom and a broader outlook towards life in children. The school is working hark in changing potential of a student into the reality for this students of the school are provided with excellent well qualified staff and world class infrastructure.

The schools of Jabalpur encourage extracurricular activities and try their utmost to build the overall personality of their students so that they grow up into responsible and well rounded individuals, ready to face the challenges of the world.
