Article published on January 2nd 2012 | Education

It is necessary for CPAs to undertake state accounting board approved CPE (continuing professional education) courses every year in order to maintain their CPA license. Different states have different CPE hours and course requirements, but most CPAs need to undertake 40 CPE hours on average every year. One option is for CPAs to study their CPE online. CPAs can opt for online CPE courses on an array of topics, including computer software, ethics, finance, management, personal development, specialized knowledge, taxation, auditing and ACCOUNTING CPE

. Online CPE for CPA brings in a lot of other benefits as well. Cost effectiveness is chief among them. Due to lower overhead costs for online CPE, CPAs can find great money-saving solution for their CPE.

Online self-study education is a great proposition for CPA CPE credits and it is growing in popularity. The online CPE courses for CPAs are preferred because they offer the CPA immense flexibility in completing their courses at their own pace and on their own schedule. There are several different online providers of CPE for CPA, but it is advisable to do some comparison shopping about the features and functionalities the different companies offer before finalizing the selection. Make sure you compare course material and cost of these courses in terms to receive best possible online CPE training.

In the discussion about online CPE, MasterCPE.com deserves mention The website allows the CPAs to easily register to access these courses. Unlimited CPE subscriptions, no waiting and no shipping costs are among the best attributes of the MasterCPE.com website. CPAs just need to have an Internet connection to access the site and can then complete the courses from anywhere at any time. The downloadable PDF version of course material makes CPE self study procedure an even easier task. After completion of the online exam, the CPA will have immediate access to the course certificates.

A CPA can purchase high value subscriptions for all types of courses from MasterCPE.com. CPA with fewer CPE requirements can also buy individual courses. Renewing the subscriptions is also an easy task, and discounts are available to existing customers. Both individual as well as group membership plans are available at MasterCPE and the website also offers state specific courses for virtually every state, including Alabama, California, Georgia, Illinois, Kentucky, Louisiana, New York, Pennsylvania, Rhode Island, and TEXAS CPE, just to name a few. MasterCPE.com is easy to use, convenient and cost effective.
