Article published on April 9th 2012 | Education

For a lot of people reading books is the most preferred pass time. To get through and also pass the time in a good way, books are of great help. Numerous types of books are available and of them books on literature and literary studies are the most popular. Literature is meant to portray everything ranging from creative writing to works of more technical or scientific nature. Literature signifies a people or a language: tradition and culture. Literature initiates us to a world of new experience. We study about literature and books; we take pleasure in both comedies and tragedies of novels â€“ fiction and nonfiction; we even evolve and grow with the novels we read.

Novels â€“ the best way to pass time

Novels are the books of long narrative stories. The narrative construction, the plot, the manner reality gets created in the fictional works, the charm of study of the character, and the usage of language normally show the artistic merits of a novel. In Novel Stores you will find an array of novels such as fiction and nonfiction in keeping with your interest.

Fiction books comprise a kind of books that are enormously imaginative. They are unreal and created by the author. There are many publishers who are renowned for their books on fiction like atria books, Herper Collins and many more. Some of the most popular fiction books are: Harry potter, the story of my marriage, Chetan Bhagatâ€™s combo of 3 books, Inheritance of loss, Algebra of infinite justice, Brick lane. They are available in Novel Stores or can be purchased from Novels Store Online in India.

Nonfiction books are interesting to individuals who love to reside in reality with no imagination. They deal with factual topics on people, places and events. A lot of well-known authors have gained huge credits through their books such as The diary of a young girl, The five secrets you must know before you die, A town called Malgudi, The tiger and the cell phone, The elephant under the renowned publishersâ€™ banner like Atria books, grand and dell publishers, Harper Collins which are available in online bookstore in India as well.

Buying books from online bookstore in India

It is a great idea to buy books online. You can buy literature and literary studies books from online bookstore in India at a minimal price. The buyers also get discounts on buying such books online. These stores also aid the buyers to make sure the available stock without having to take a round all over the book stores only to be frustrated by the bookâ€™s non-availability.
