Article published on January 11th 2012 | Education

Famous all across the country, the Mahatma Gandhi University of Meghalaya (India), is a leading private university of Meghalaya, North-East India, and the country in general. It was established through the State legislative Act, 2010 of Meghalaya, for providing highly job-oriented, professional, and prolific education, teaching, and research, in a broad range of fields, as per the current and future requirements in the industries of India and other parts of the world. Mahatma Gandhi University courses are both for studying students, and working professionals, through regular campus-based classes and online programs.

Well-equipped with modern state-of-the-art Information Technology equipments and facilities, the Mahatma Gandhi University of Meghalaya desires to become one of the outstanding and leading private universities of India in the sector of online and offline education, teaching, and training. It is duly empowered by the section 22 of the UGC Act, 1956, to confer degrees at diverse academic and professional levels, and therefore, its diplomas and degrees are accredited and appreciated all around the country. The Mahatma Gandhi University has wide-ranging connections and collaborations with a large number of national and international universities, educational institutions, and industries for the above-mentioned purposes. The Indira Gandhi National Open University (IGNOU), Karnataka State Open University, Sikkim Manipal University, Punjab Technical University, Jamia Hamdard University, Maharshi Dayanand University, Guru Jambheshwar University, Edexcel, DOEACC, etc., are some of its alliances.

At present, the campuses of the Mahatma Gandhi University of Meghalaya, are well-established in Khanapara and Tura of Meghalaya, and New Delhi (two campuses). All the campuses of it offer regular classroom education and training, and online courses, described below. The Mahatma Gandhi University facilities at its campuses in Meghalaya include fully-facilitated classrooms, departmental and academic infrastructure, hostels, Science Park, parenting club, modern laboratories, opulent library, diverse information technology and internet related facilities, placement cell, and lavish means of transportation. Moreover, the Mahatma Gandhi University faculties are well-experienced in providing classes most productively and lucidly.

A rather broad range of courses in different academic and professional fields are provided by the Mahatma Gandhi University of Meghalaya, through online and campus-based modes. The most prominent, famous, and popular Mahatma Gandhi University courses, are the following:
