In Hinduism Saraswati is the goddess of knowledge, music and arts. She is the wife of Brahma and her name came from 'saras' means flow and 'wati'means a woman. So, Sarawswati is a symbol of knowledge which flow like a river and the knowledge is alluring like a beautiful woman. She is represented as a fair goddess and wear a spotless white saree seated on white lotus.

The literal meaning of the name Saraswati is the one who gives the essential knowledge of our own self. Therefore all the students and the scholars worship her to get the blessings. Saraswati's birthday Vasant Panchami is a Hindu festival celebrated every year on the 5th day of the bright fortnight of the lunar month of Magha. Hindus celebrate this festival with great fervor in temples, homes and educational institutes.

Knowledge is the powerful tool through which we can fight with any miserable situation in life and its only education sets the way towards the world of knowledge. In the school understanding of relationships, finding implications, solving problematic situations and critical analytical skills are developed. Education is generally is found as the basic of society which convey economic wealth, social prosperity and political stability. Role of education is to socialize individuals and to keep society smooth and remain stable.

Education broadens our viewpoint and teaches us to be liberal towards other views, which is very important to survive in this cut throat competition. It also teaches us differentiate between right and wrong. The awakening of intelligence is more important than the cultivation of memory, both in life and in academics. The greatest things in life are those that cannot be taught but they can be learnt.

The objective of education may differ from country to country but basically education aims to bring up productive person. Education also aims to produce intelligent, knowledgeable, hard working, efficient and disciplined individuals. In every country education is a matter of prime concern for the welfare of the country. Country gets recognition due to education as it is only educated person who can do something beneficial for the country. The economy also grows in leaps and bounds so; it is required to educate the masses to speed up the growth process.

Onlineschooladmission.com believes that education is most powerful weapon which can be used to change the society. Education and society go hand in hand. A better society can be accomplished by imparting better education. Onlineschooladmission.com believes that better education can also be obtained through the best schools. To serve this purpose OSA has contributed its effort to let parents choose best the schools and apply to them accordingly. OSA not only allows them to choose the best school but also helps them to fill the application form and send it to the particular school online and wait for the call for the interview of the child.
