Article published on May 9th 2012 | Education

In India education is divided in a few education boards of India such as CBSE, ICSE, and education board of Delhi And NCR. The main purpose of any board is lays to regulate the examination rules and curriculum etc. for the schools in Delhi which comes under any particular education board.

ICSE examination board is regulated class 10th examination in Delhi. The Indian Certificate of Secondary Education or ICSE examination is an examination conducted by the Council for the Indian School Certificate Examinations, a private, non-governmental board of school education in India. It is an English medium board that implanted in 1986. The boards allow secure & suitable representation of Government to be responsible for schools (which are affiliated to it) in their Territories.

Private students are not permitted to appear for this examination. In all subjects other than Science and Computers, students must submit compulsory practical assignments. In groups I and II they count for 20% of the student's performance in the subject; in group III the assignments count for 50%. In Science and Computers, students are tested on their laboratory tests results. Students appearing for the examination have to study seven subjects in their 10th standard. In India, Dwarka and Delhi has emerged as the best place for imparting quality education in the students ranges from the primary to the higher studies.

Many people are migrated in these metros just to acquire quality studies or good jobs etc. So the schools in Delhi and NCR are working at their best to satisfy of each the parent and students on behalf of their best, job oriented and character builder education polices. They are also catering best infrastructure at the world class. ICSE afflicted schools strive to educate in various subjects like sciences, literature, fine arts, Maths in English medium only. Thus, ICSE Board schools in Dwarka are famous in excelling their students in building their qualifications with good character. You can also find various ICSE schools in Delhi which meets your each educational requirement.

The expert school teachers and principal of such schools are well experience to choose the academic curriculum for the students which is helpful for their career perspectives too. The overall infrastructure and the whole school faculties of such schools are well experienced to gratify your child the best education. They would be well prepared for their 10th board exams in their regular classes. The co- curricular activities of such schools are also very talent hunted that develops your child personality. All the students are quite eligible in their speaking and written language.

In sports activities too such schools are providing the excellent facilities to excel the students in there various sports activities under the age group of 18 years that includes cricket, tennis, volleyball, swimming etc. Performing all these games enhances the studentâ€™s confidence, physical strength and stamina power. Thus we can suggest you ICSE board schools that fulfill your whole schooling requirements up to 10th standard.
