Schools That Gives Meaning to a Life by Manishpaull

Article published on July 20th 2012 | Education

Education is the most essential thing that a human require to have a better standard of living. It gives meaning to a human life. Global International School established internationally has examined the urgent need of perfect and global education in the society and therefore have come up with many branches of the school spread all around the world. The vision of the school is to become a Global Role Model for teaching and learning and the mission of the school is to cultivate and nurture young minds into global leaders of the future. The school is co educational and is affiliated to the CBSE board.

Global International School is committed to the spirit of excellence through high quality education imparted by experienced and caring teachers forming strong characters and personality embedded with morals while focusing on the all round development and creativity of a child. The school has a sprawling beautiful campus with a perfect hygienic environment.

The facilities provided to the students in the school are:

Classrooms equipped with PCs & Broadband Internet, Computer Laboratory, Library with over 10,000 titles, Music Studio, Dance Studio, Speech and Drama studios, Yoga Studio, Audio Video Presentation Room, Drama Theatre, Science Laboratory, Cafeteria Serving Indian Vegetarian Food, LCD Video projection for Classrooms, Multimedia e-learning technology, Multi-purpose Auditorium with a capacity of 600 seats, Badminton courts - 2 Indoor, Basket Ball courts, Tennis courts, Soccer grounds, Cricket ground, Table Tennis

International Schools in Bangalore are also very popular among the International Schools in India. The quality of these schools has not improved in just one day but they have developed themselves as per the requirement of the time. In todayâ€™s time these schools are well equipped with modern teaching aids, trained teachers and infrastructure of international level. International schools of Bangalore are Stonehill International School, Harvest International School, Ryan International School, Canadian International School, Oasis International School and Indus International School. The only vision of all these schools is to equip all the students with global knowledge and perspectives and to make them the better and responsible citizens of tomorrow by embedding human values.

There are various categories of schools available for the students in the country that includes public schools, private schools and government schools. Public schools of Delhi have high reputation all over. These schools are centre of attraction for the students as well as the parents. Students from everywhere get attracted to these schools and rely to them for their complete schooling education. Many of Delhiâ€™s Public schools have been listed in the top 10 schools of the country.

The best public schools of the city are Delhi Public School, Shri Ram School, Vasant Valley School, Sanskriti School, Springdales School, The Army Public School, Bharti Public School and DAV Public School. These schools teach a student to be an expert in all fields but enhance their inner talent or area of interest the most. All the aspects of the growth of the children have been kept in mind while designing the curriculum of the school. A student is encouraged and made aware of his potentials to achieve greater heights.
