Article published on June 2nd 2012 | Education

Schools and education is something which is every important in any oneâ€™s life be it a person or be it a country. It is one of the most powerful means of advancement. Be it a country or be it in sense of the country. It has all the advancement. Education can change any oneâ€™s life that to drastically. It has the power to change things around.

In the present scenario the world around us has become so ambitious and competitive that there is no relief to things around us, education is becoming important part of every one and the simplest reason is that everyone is interested towards success. The craze of name fame and money has increased to the zenith and everyone is busy taking their step towards so that they can reach up to their dreams.

In gigantic city like the metropolis we can find more amount of people who are concerned about their success and ambition and are busy to fulfill their dreams, hence, they pay a lot of concern on studies. Not only in the metropolis cities in every state can we see that education has taken a step forward so that they can move ahead.

In places where the parents think that they are no schools available that can give proper education to their children send their children to places where education is proper; such as the metropolis. Traditionally also there were measure present where the child can stay at school itself and study , earlier it was called gurukul but in present language it is called boarding schools or even residential schools.

It is a place where your child can stay and study; you get a complete study experience along with food and lodging. It has become quite a friend now and the reason is that education has increased to a higher level and every parent want that their children study in any school which is there in the metropolis well it comes true with the help of boarding schools, there are day boarding also where the child remain in boarding till evening and come back home at night. Boarding schools have become quite a name in these recent years and the only reason is that parents are sending their children to study in different city and there are many good boarding schools in Ashok Vihar in Delhi. There are even day boarding schools in Ashok Vihar which helps out the students with their studies.

Play schools keep a lot of importance in every oneâ€™s life, because the basic of education is started from the play school. There are many good play schools in Ashok Vihar were parents send their toddler to study.
