Select Best Girls or Boys Schools in Kolkata by Raj

Article published on June 13th 2012 | Education

Kolkata is the capital of west Bengal in India. It is far more known as the â€˜city of joysâ€™ due to its know celebrities name ends with surnames â€˜joyâ€™. From the British rules it is well known for its good approach to education in all sectors of jobs in India. We can see in our every day life there is not a single place left where you will not find the Bengal natives. In this article we can conclude a few relative points in regards of various schools in Kolkata.

The top girlsâ€™ schools in Kolkata are well renowned among its students and their parents. Most of the girlâ€™s schools teachers are also females only. You can enroll your child in pre nursery to class XII in Kolkata girlâ€™s schools. Theses schools are affiliated under the West Bengal Board of Secondary Examination and West Bengal Council of Higher Secondary Education. Theses are English medium schools but also using Bengali and Hindi as their first language to be opt by the students.

The schools in Kolkata are widely an example of the modern education system with the blend of traditional values in their teaching methodologies. They are widely using the global format of teaching practices in their schools for catering students in the best possible ways. The schools are open equally to all the students with out any bias in any caste and creed. They are offering curriculum with its dynamic that includes communication skills, environmental projects, community service, health and value education, art and aesthetics.

There are lots of boyâ€™s schools in Kolkata that are established from the British times. All the boysâ€™ schools are teaching from class I- IIX under the west Bengal board of secondary education or west Bengal council of higher education. Most of the boysâ€™ schools are established with the join venture of Raja Ram Mohan Roy with British colonizers.

Theses white school building is found of Victorian architecture, having rooms with high ceilings, tall doors and no windows. At the same time many other small schools building has been constructed in a modern architectural style. Theses schools are consists very large playgrounds for performance of daily cultural activities and playing purpose.

A total of around 1000 students can study in per boysâ€™ schools in Kolkata. In Extracurricular activities many activities are held like â€˜in summerâ€™s football tournament, Intra-section competitions as well as inter-section and inter-class ones ensure that almost every student gets a chance to play at the official tournament or cricket tournament of smaller scope is held during winterâ€™. All the schools are celebrating the national days and celebratory festivals with good hustle and bustle in their school campus. Such type of activities is encouraging students to be hard working and also come to know about various national and internationals eves and why people are celebrating them.

Kolkata is also hosting many convent schools which are run by missionaries. Those schools in Kolkata are doing their best job to make their students best human beings. Theses are running classes I to XII. These schools are affiliated to the Council for Indian School Certificate Examinations. Those ICSE and ISC examinations are held at the Class X and Class XII board levels. They are co-educational with English as the medium of instruction.
