Pune city comes in the outskirts to Mumbai. It is the 8th largest metropolises in India. It is also known in worldwide for its high grade educational facilities to the national and international students. Due to its high range approach to the best educational polices in India, one of the renowned scholar called it as the â€˜queen of the deaconâ€™.

Schools in Pune are either run by the PMC, also called public schools, or some schools are run by privately trusts and individuals. Private schools have been preferred by the majority of city residents because of their better facilities in providing the English medium world class education. All the schools are affiliated either by the Maharashtra state SSC board or the all-India Indian Certificate of Secondary Education (ICSE), CBSE or NIOS boards.

The schools in Pune has a state of the art infrastructure including a large campus, high end water purification & treatment plant as well as huge classrooms and well equipped laboratories. Thus we can say choosing the schools in pune may be an intelligent decision by the parents for their kids.

Chennai is comes into one out of four metro cites in India. South Indian schools reputation is unsung in the history and present scenario also for the dealing of best education in the top 10 schools in Chennai. Every year the annual board results of these schools are going very high. Many of the bright students are taking part in many scientific quizzes and competitions which are held time to time across the India and abroad. In recent news a bright student of Chennai has grab the Grand Award for Chemistry for his project on 'Visible Light DE oxygenation' at the Intel International Science and Engineering Fair. He also won the Glenn T Seaborg Nobel Trip Prize which includes a trip to the Nobel ceremony in Sweden. Thus we can imagine if we will also send our kids in these schools would definitely do something extra and better.

Gurgaon is the modern developed suburb city adjusting to the Delhi. It has earned the nickname of "Millennium City" for being home to over a hundred companies, posh malls and other entertainment avenues, BPO companies, world-class golf courses, hi-end restaurants, classy five-star hotels, healthcare facilities and state-of-the-art residential hi-rise structures.

Due to its high end corporate and best living standard facilities many modern world class Schools in Gurgaon are also come into existence for serving the residents, national and international students worldwide. Many parents who may be settled down at Delhi but wants to send their children in Gurgaon schools only because they knew that the educational and other games facilities which is provided by the world schools might be possible or formularies by any other schools in Delhi or NCR.
