Article published on April 21st 2012 | Education

If you wish your child to choose any career under the Sun, donâ€™t read this article. It may be thief, x rated stars, forfeiters and so on. You are at your liberty to get your child admitted in any school, be it a private school or not, you will see that the child of yours is just growing up., attends the teen hood, and suddenly turns adult and rest of the life repent in leisure. But when you are going to think in a proper manner, when you start an heir splitting analysis, the sole answer that will come out is the moral values that makes the character and move the world around should be the back bone of the education.

We may pretend to be the atheists, but if we tank ourselves in the depth of the mind, the terra incognita, it appears to be the values that is being preached by the sages and sheers, the true Christian value. Yes, it is the matter of the mending of the subtle minds. Trust the schools in Geelong, the true Geelong Christian college which starts the day with the motto â€œSeek ye first the Kingdom of God â€œMathew 6:33.

Since last 30 years, the College bacons in its own glory among the other private schools in Geelong. From the Kindergarten level to 12 standards, this College appears to be a path breaking examples under any circumstances. Situated in the Belmonte city, Australia, the school appears to be one of the best institutions across the country. There are different campuses are there of Geelong School.

Based at the Highton town, it has different campuses. In William House, the kindergarten school, your childâ€™s brains are being allowed to proliferate. In Belmonte, it is the junior school and up to 4 the students can read and experience the excellence. Then they are to be graduated to the middle school in Bellarine and Highton. There the study was offered to ten and in the Waron Ponds, the senior institution as well. Not to mention, at the scoots Burns your ward will get the lesson of nature, the common principles of sharing and caring are being nurtured there.

The Geelong College all the time maintains a very rich tradition of Christianity. In the trusty not the school 4 different clergies are included from four different foundations as well. They are Anglican, Unitary, Salvation Army and Baptist. No wonder, the pursuit of making the best out of the children came out with the flying color.

No wonder, the students excel in all board leaving examination in this college making it proud among other private schools. The other co curricular activities are also thoroughly encouraged in the Geelong College. At the idyllic back drop, the young brains nurtured and flourished. No wonder, the parents across the continent happens to be in the queue to get their child admitted. Everyone wants to part with the best education to their child, who there will be exception?
