Article published on January 25th 2012 | Education

Exam Confidence have just announced and new and additional programme of maths revision, chemistry revision, physics revision & biology revision to help you with your exams. Do you feel that an intensive burst of short and intensive revision with your own personal tutor might be just what you need before your exams? We do. This is why we are so confident that if you sign up today to one of intensive one-to-one sessions that you will be so delighted with your results that you will return time and again! Over 85% of students who attended our Easter 2011 courses improved their exam results by 1 grade- incredible when you consider that the majority were already on good grades!

Do you want to get to grips with some of the more difficult topics in your curriculum? Do you want to discuss exam questions in detail and receive advice from an expert teacher? We know that our tutors are outstanding- because they are the same tutors that deliver our exam revision courses.

At Exam Confidence, we are offering one-to-one tutoring in all main GCSE, A Level and International Baccalaureate subjects. Our teachers are the finest in their profession. How do we know this? Well because they are experts in their field â€“ including examiners, heads of departments and published educational authors who we have used to help deliver our revision courses in the past. They have also written text books on their subjects. Therefore, they can give the most comprehensive and up-to-date help on your exam technique available.

So what can one-to-one tuition do for you?

One-to-one sessions are tailor-made just for you. They will really help you drill down and help you with your maths revision, chemistry revision, physics revision & biology revision They address your concerns and no one elseâ€™s. Your tutor will be able to break down complex concepts into manageable and understandable chunks, helping you to make sense of it all. This is key to you achieve the best possible marks at the first attempt. After all no one wants to have resists on their UCAS form.
