As we all knows that there is no short cut to success, in the same manner for accruing good knowledge from studies students have to devote plenty of time and hard work. Chennai is a famous city as a land of Temples with richness in its social and cultural activities. All the pass outs from Chennai schools and colleges are doing well not only in Indiaâ€™s big companies but also in abroad too. South India based all the people are very fond of studies. From the childhood the school teaching pattern makes children very sound in their regular academics along with other cultural or sports performances too.

Locating the best school in Chennai is not a childâ€™s game; it needs a little bit preparations and search work to finalize an idle school for your child. You will find a number of CBSE schools as well as those which are affiliated by IGCSE, ICSE and State Boards, who are offering quality education from pre-primary to Higher Secondary level. All the schools are English medium to avoid any language confusion between the students who are coming from different states. However, some schools also follow Tamil as one of the optional subject to be chose by the student own willing in a study curriculum.

We can suggest you main points to be remembered at the time of selecting any school in Chennai:-

â€¢ First you need to decide which type of school you are looking for either a residential or a day school. Ask school about the board on behalf of which the school is using study curriculum for the students. Those who are in transferrable jobs should search schools accordingly and ask further prospect of school shifting related formalities.

â€¢ Shortlist the main schools which are residing in your local residential area. Then browse the school site online to know more about them. Grasp some ideas about the school reputation from the other parents, school past academic result records, teaching staff profiles etc.

â€¢ Then again short list your preferred schools and make one possible talk to the school principal or administrative authority to get to know more on various facilities which they are offered to the students.

â€¢ Try to know the points like teacher â€“ student ratio in a class room, applied teaching learning methods, extra-curricular activities etc. Many schools are providing transport facilities. Get complete details about separate fees charges for any additional facilities etc.

â€¢ Ask for the admission dates, interview and other procedure from your preferred school. All schools are following their own methods to conduct these activities. Some schools are conducting PTM at different sessions so inquire all those facts in advance.

â€¢ If your school is conducting any admission test, try to gather maximum information for the pattern of tests. Nowadays, many schools are offering online exams, thus inquire this thing also.

Inquire the complete structure of admission fees and tuition fees etc. Inquire whether cheque, cash or demand draft in which manner they are accepting the first fees with confirmation of last date for submission of the fees.
