This Was the Last Year of Our College and We All Were About to Pass Out by Tiffany Parker

Article published on April 18th 2012 | Education

This was the last year of our college and we all were about to pass out, then we arranged one picnic. We all organize the whole picnic; each and every student of our class was given some work for the picnic. Now, when the day of picnic came, we all gathered at one place then we move on towards a farm house, as we had already booked it. We made our journey enjoyable by singing songs, listening songs, yelling, smiling etc. we reached at farm house in approximately two hours. We all first had a look of farm house, it was very beautiful. Indoor games and many things were there, we all felt very happy to see. Many of our friends took their seats and sat in a lawn and started to discuss on various topics. Suddenly one friend came with a cup of coffee and asked about college essay writing company. We all looked at him, then all said in a chorus that yes it is a company this and that etc. then that coffee friend asked that can you people guide me about this company. All said in a chorus again that sure, why not we have whole night. First come, sot and sing song with us. In this way we were enjoying, lots of friends were playing cricket and lots of setting kitchen in order to facilitate well with refreshments.

As everybody was busy in their own activities, then dinner got started and everybody was willing to get dinner first because there was two men, who were giving dinner one by one. After having dinner we all were playing chess and many of our friends were playing x-box, bowling, carom board, snooker and cricket. In fact everybody was busy in playing. Suddenly one of our friend started throwing water on everybody by water gun, then everybody was running here and there in order to escape, but in the end everybody became a victim of water.

It was a mid night and everybody was sitting with a cup of coffee, then again that friend asks about college essay writing service. We all explained him that you can buy essay online from this company. There are lots of websites available on the internet, so first you have to check it out that which company is not fraud. But Originalessaywriting.com is one of the best company, if you in future need any assistance for custom writing service then you just go any type write my college essay. This is my promise that you will get your work done with beyond your expectations. Suddenly one friend interrupted that hey guys! Common leave this topic because it is related to studies, and we are here to make our picnic memorable by enjoying.

On the next day after taking sleep of 2 hours, when we woke up, we all jumped in a pool for more enjoyment. After that we all packed our back for home. The photos which we captured were uploaded on facebook while returning.
