UDAIPUR: a Centre of Excellent Quality School by Raj

Article published on July 5th 2012 | Education

Udaipur is a city of the state Rajasthan widely known as the city of lakes. It is a beautiful city which attracts lots of tourists every year. Udaipur has a well established and maintained educational infrastructure. The city is full of such schools that are meeting the requirements of not only the city but the country as well. The schools of the city are affiliated to the boards like CBSE, ICSE or the state board. Some schools are even affiliated to the international board like IB.

The schools in Udaipur are available in various categories such as play schools, public schools and international schools. Public schools are the one that are open to all without any discrimination so they have always been the priority of the masses. The best public schools of the city are Arya Bal Bharti Public School, Mahaveer Public School, Bhopalâ€™s Noble Public School, MDS Public School, Maharana Mewar Public School, Central Public Senior Secondary School and so on.

MDS Public School located in Hiran Magri is one of the leading school of the city. It is a co educational school affiliated to the CBSE board. The school is very popular in the city for being excellent in academics and for being dynamic in all kind of activities. It is one of the finest educational institutions and its growth had been remarkable. The vision of the school is simply to serve its nation by providing knowledgeable and devoted young minds. In order to fulfill this vision the school has designed its infrastructure very systematically. All wings are separated from each other and are equipped with the facilities according to the wingâ€™s studentâ€™s age group. A character without certain personality or a personality without a perfect character is of no use. Therefore students are given lectures on personality development regularly just to make sure that they grow in a positive manner and are ready to face the challenges of the world.

The city Udaipur is huge and even includes some very good International Schools within its boundaries some of which are Eden International School and Ryan International School. The campus of the Eden International school is very beautiful and consist of best infrastructure. The objective of the school is to provide first class education that enables students realize their full potential in all aspects of their lives in a good friendly and conducive environment.

Laying a perfect foundation of some future project is the most essential and crucial task. Initial days of schooling education of a child can decide and create a childâ€™s character. Therefore the decision of choosing a nursery school must be handled with extreme intelligence. Some schools only focus on the playing part or pressurize students whereas both the things should be avoided by nursery schools. Nursery schools are best when they teaching and making a child enjoy simultaneously without pressurizing them. This is the main ethic of the nursery schools of Udaipur. The best nursery school in Udaipur is Bachpan play school which is situated in the sector 12 of the city.

The city is in the run of becoming leading educational hub of the country. The schools in the city are devoted and have given many prominent personalities of almost all the fields.
