Aliens: Colonial Marines by Devjohndevon

Article published on July 10th 2012 | Entertainment

Aliens: Colonial Marines is a forthcoming first-person shooter survival horror video game being developed for Microsoft Windows, Xbox 360, PlayStation 3 and Wii U by Brothers-in-Arms creator, Gearbox Software. The game is scheduled to be released on February 12, 2013 and is to be published by Sega. Aliens: Colonial Marines is solemnly based on the characters and creatures of the film Alien. The game features a Red-ring engine with a new renderer.

The game will feature a whole new combat system with horrifying horror recapturing the tension, combat and horror, moreover I would say the entire story play of the alien franchises movies that created the sci-fi action horror genre and thus will bring a major level of gameplay giving player a whole new gaming experience.

Aliens: Colonial Marines along with the new combat will feature a wide-ranging variety of awesome weapons such as flamethrowers and Pulse-rifles including spanking new tackle and skills. The game will retain claustrophobic environments and atmospheric graphic as emerged in the film and so will retain the feel of the film which definitely will make the game look like the original film itself and lastly as a result the game with numerous surprises and next generation technology will create an entirely new interactive Aliens experience.

Players will be offered a comprehensive range of weapons and tactics and will also be able to use welding torches to seal doors and motion trackers to detect unseen enemies and there would a lot of amazing things and an amazing experience throughout the gameplay.Aliens: Colonial Marines will offer a single-player campaign along with four-person multiplayer player co-op, plus many more to be revealed in future months. Pre-Order now at Gameâ€™s official Site.

Borderlands 2

Borderlands 2 is a forthcoming first-person shooter video game with role-playing elements in development for PlayStation 3, Xbox 360 and Microsoft Windows. Gearbox Software is currently in development of the Borderlands 2 and 2K Games is its publisher. The game is scheduled to be released on September 18, 2012 inU.S.and September 21, 2012 inU.K.

Borderland 2 is a sequel to its predecessor Borderland, a 2009 video-game, developed by Gearbox Software and is build upon the gameplay elements as implemented in its predecessor Borderland. The game is entirely a role-playing shooter video game including character-building elements.
