Today, Android mobile phone users have a wonderful game named as Angry Birds. This game is liked by millions of Android OS users since it is not only challenging but also interesting. If you are using a cell phone running on Android operating system, then you are free to download it from the Google™s Android market. Good thing is that you do not have to pay a single penny from your pocket for downloading this game because it is available for free in the market. Really great!

Angry Birds for Android phone version is not different from iPhone one. You will experience the same game play and entertainment. There is no change in story, themes and graphics. You are able to enjoy two more editions of this game i.e. Angry Birds Seasons and Angry Birds Rio including original one. For your information, every edition of it can be downloaded for free.

Angry Bird original edition for Android comes with 300 exciting channels. A physic based game play adds fun and joy into your life. For solving the puzzles you have to take help from your mind. There is a logic behind every puzzle so somehow its puzzles need your mind exercise. Special abilities of birds make this game more exciting as compared to other games. The theme of this game is well-designed and you hardly feel any flaw in the overall design.

Angry Birds Seasons helps you to get an entry into a variety of festive seasons. There are 25 levels that are featured with gingerbread cookies, bells, twinkling lights, and candy canes. You have to take the revenge from the green pigs and again the special abilities of birds will be there to help you out. Many seasonal surprises make this game more fascinating for the players. You can cross each level and episode with your logical skills. Angry Birds Rio is another edition which makes your Android experience very special.

This edition differs from other two in terms of graphics, sounds, story and enemies. All birds are kidnapped and taken to a magical city Rio. All birds have to escape themselves and two other special birds Jewel and Blu. There are hidden fruits which are the special awards for the birds. Each level comes with new puzzles which demand brainstorming. Angry Birds for Android is really popular. Every new entrant of Android world first likes to play this game and then to any other. So what are you waiting for, just go and download it now from Android Market.
