Article published on July 12th 2012 | [Entertainment](#)

Instead of booking the usual package holiday this year wouldn't you like to take part in a vacation that was filled with a series of breathtaking activities? Imagine spending time at a game reserve South Africa where you could enjoy the thrills and excitement of safaris South Africa. Make no bones about it, Safaris South Africa are once in a lifetime adventures, you'll be able to witness a host of wildlife in their natural habitat on this wonderful experience.

Safaris South Africa gives you the golden opportunity to see the big 5 in a beautiful game reserve. You'll witness the wonder of lions lazing under the hot safari sun, watch elephants drink at watering holes and see rhinos, leopards and buffalo as well as numerous other species on Safaris South Africa. For a holiday unlike anything you've ever experienced before Safaris South Africa are hard to equal.

What's included on safaris South Africa?

To truly appreciate spending time on safaris South Africa pick an all inclusive package at a game reserve South Africa, the one at Kariega is a popular choice with tourists. This fabulous game reserve is home to some of the finest Safaris South Africa has to offer which is no surprise really when you consider it's sited in 9000 hectares of prime wilderness.

You get to choose from a host of lodges on Safaris South Africa and stay in magnificent air-conditioned suites that epitomise the height of luxury. Accommodation, meals and selected beverages are included as part of the packages and Safaris South Africa take place twice a day in specially adapted vehicles or you can take part in river cruises or foot safaris if you prefer.

Stay as long as you like on safaris South Africa

Lodges on Safaris South Africa are priced on a per night basis so you can piece together a flexible package at a game reserve South Africa that suits your individual needs. Plan a long weekend with family or friends on Safaris South Africa enjoy the wonders of the local wildlife during the day and fabulous hospitality in the evening.

Book Safaris South Africa for your honeymoon, a special birthday treat or some other special occasion and look for fabulous rates during low and high season. Safaris South Africa are special, they are unlike any other holiday you are likely to encounter so if you want a vacation with a difference this year book a few nights at a top class game reserve.
