Hen night is way for a bride-to-be to enjoy her last days of freedom, and for the girls to hang out and have some. Typically, the night parties are arranged a week or two before the marriage. For bride-to-be it is said to be the last night of liberty and freedom, as she is about to enter a whole new world full of responsibilities.

Being the last occasion prior to the marriage, the hen night is always considered as an extra special and precious night for bride-to-be. Ultimately, all girls would like to arrange it in the best possible way. The night should be full of fun and entertainment, leaving the everlasting joyous moments of bride-to-beâ€™s life. It should allow the bride-to-be to enjoy and cherish that precious moments forever, and at the same time it should also all the hens to enjoy the party.

Everyoneâ€™s expectationsâ€™ and especially the bride-to-beâ€™s expectations are very high pertaining hen-night. She had probably dreamed about it for her life, and wants to make this night as one of the best nights of her life. As a matter of fact, it is the night that should show her a way to recapture all the enjoyable experience, and revive all the pleasure giving memories of the past which she had enjoyed before the marriage.

Furthermore, for bride-to-be the night gives her the opportunity to do whatever she wanted to do in her entire life; anything that can make her laugh, make her happy and can make her feel good. But what really important is that she is enjoying all of these with all her friends surrounding him.

For those who is arranging the hen night, needs to make sure that the night should be rich, full of fun and fun loving activities. Besides, one also needs to make sure to list out the activities which the bride-to-be will love to enjoy, and should avoid those which she dislikes. There should be dance, music, beer, games, cocktails, variety of food, etc. and almost everything that should bring in the joy and laughter for the bride-to-be.

Out of all these, one of the most important aspects is selecting the destination for the hen night. Good for the girls, as nowadays there are many great places out there (especially in Europe) that can offer the perfect ambience for the hen party. In Europe, hens often find it difficult to judge that which destination is better than other for the party. However, the below listed five venues constitutes the top 5 hen night destinations in Europe.

Dublin, the capital of Ireland, hens loves this place. Many hens would like it as their one of the best night spot before their wedding. Besides, Dublin has a wide range of late night bars to entertain you and your gang of girls.

Another great destination is Tallinn, the capital of Estonia which offers a wide variety of places to be visited at night, and features cheap rates (especially for beer). Roaming out at night there is a great mode of entertainment.

Malaga, the birth place of Antonio Banderas, has also a lot to offer for a hen-night which includes stunning beaches, restaurants and night bars.

Prague is also one of the real source of attractions for hens for their hen-nights because of itsâ€™ beautiful surroundings, lavishing architectures, and especially the cheap beer.

Finally one of the top most hen night destinations in Europe, it could be nothing better than

Amsterdam. The place can take you away with its canals, cafes, night out parties, and numerous other enchanting places, to be visited during night. It is a perfect spot for a superb hen night.

To conclude, with so many varieties to choose from, you will have the most memorable hen night experience in Europe, at any one of these happening destinations.
