After a long, tiring and stressful day at work, all you would want is to unwind, free your mind from the stress of the day, ease the tension in your body and relax. You can go out with your friends, have a drink, watch a movie or go shopping. Or you can play stick man games.

Many people have discovered the pleasure of playing with the stick man. The simplicity and fun of the game easily puts you in a good and relaxing mood. Nobody could resist smiling or laughing on the stick figures. The visual aspect of the game alone is enough to release some of the stress that you feel.

Your Choices of Stick Figures:

There are many web sites offering the game of stick figures. But there are twice as many game options to choose from. You will find stick figure games that are purely fun or classified as action, strategy, defense or shooting.

For fun, you may want to try the Shopping Cart Hero. It features a cart that you should make into a flying machine by pushing it faster down the hill, make it jump higher and as far as you can. It has an updated version, the Shopping Cart Hero 2. It also features shopping carts which you can use for various purposes. You can still use the cart as a flying machine. To score points and earn bonuses, you should make the cart jump higher and travel long distances.

Action stick figure games are also worth your time and attention. One example is the Way of the Stick. The game has lots of stick figures which you need to beat using your fighting skills. The key here is to control the major stick figure character. The Knife is a time-based game which requires you to stab the stick figures. The more stick man figures you stab, the more points you earn. A simple yet interesting music accompanies your stabbing motion.

For a really cool shooting game, consider the Sniper: Hostile Territory. A first person-type of shooting game, this one requires you to act as a sniper to shoot down almost everyone in sightâ€"the scientists, president and generals. The Agent B10 3 game would give you an opportunity to help a stick man agent find the Mafia boss who masterminded the death of his wife. This is a revenge-type of an online game. The awesome action sequences of this game make it one of the most popular stick man games.

With A True Legend, you will need to use your fighting skills in order to show that you are indeed a true legend. Another example of a strategy game is the Cold Crime in which you need to find the sniper who killed the mayor while at the same time, fight with various enemies. If you are into defense games, then the Ultimate Down is for you. In this game you are confronted with endless zombies which you need to battle to advance to the next level.
