How well do you know about the Academy of Couture Art? You may have heard that it is one of the best places to be to learn fashion designing? But are you absolutely sure that it is THE place to be when you want to make your career in fashion? You probably are not. Here is a way to find out whether the Academy of Couture Art is indeed as good as people say it is. Go through Academy of Couture Art reviews and there will be not a shred of doubt in your mind that this school is indeed a fantastic place to learn about fashion designing.

The people at the Academy of Couture Art have done something great for their students. They have done away with the concept of a school or institute when they designed the layout of the academy. What they did instead is create an atelier like atmosphere. What this means is that the students have a feel of an actual fashion studio while they are on the campus. Their ideas flow better this way and they are able to come up with some of the most creative concepts in fashion. There are many Academy of Couture Art reviews from present and past students that talk about this.

The Academy of Couture Art also has a separate program for pattern designing whereas most fashion schools teach pattern and fashion designing as a single course. A separate pattern design program means the students are able to perfect the art of understanding body patterns and measurement. This enables them to create perfect fit clothes all the time that never look dates. Read Academy of Couture Art reviews and you will find that there is no other fashion design school in the country that has a separate pattern design program.

The location of the Academy of Couture Art in the heart of Los Angeles near Beverly Hills also means that the students are able to study the trends that the celebrities follow. This enables them to create clothes that the rich and the famous prefer. This is the reason why so many students prefer to transfer from their existing fashion school to the Academy of Couture Art. You will find many Academy of Couture Art reviews bearing testimony to this fact.

Students get great opportunity to showcase their talent through the regular fashion shows that the Academy of Couture Art hosts. Some of the best known people in the country attend these shows and this gives students unmatched exposure. These fashion shows are held during the program as well as after the completion of the program. The students thus find it easier to be placed with established names in the fashion industry.

The Academy of Couture Art is indeed a fantastic place to learn fashion. Read Academy of Couture Art reviews and you will not need to take anyoneâ€™s word for it. If you are planning to invest your money on something great in learning fashion, the Academy of Couture Art is the place to be.
