Tissot, Our name stands for the richness of life, the luxury and the uniqueness our clients achieve. Today's trends in men's watches are a stylish blend of design and function. With a gleam of shine, Tissot Gold Watches are meant to convey the aristocracy of the owner. These watches are now available with a variety of features and stylish designs. Whether it's meant to be a part of the collector's repertoire or for the sophisticated and classy look of the connoisseur, there's one available for every need!

Founded by Charles Felician Tissot and his son Charles - Emile in the homey town of Le Locle, Switzerland, in the Jura Mountains over 150 years ago. Tissot became a recognized member of the esteemed Swiss Swatch Group Ltd. in 1983, the world's largest producer and distributor of watches. Their exquisite and classy watch design, and their many styles and looks have earned them respect across the international market. Now it has a presence in over 150 countries worldwide, and on every continent, following a business philosophy as old as the Tissot company itself, they strive to carry their products all over the globe. In 1958, the founder's son Charles-Emile left his home in Switzerland and successfully sold his father's watches across the vast and influential Russian empire. They have been at the cutting-edge of fashion for decades, found often on the wrists and in the pockets of celebrities everywhere.

Tissot Gold Watch is famous for not only its unique appearance, but also its travel time precision. Many celebrities and leaders worldwide for the last century and a half, including Elvis Presley and Nelson Mandela, have worn Tissot Gold Watches. They are a respected and recognized watch-making company that has never let go of its roots as a Swiss company. Its creative, innovative, and sometimes eccentric design team delivers a wide range of classic and high-tech products with advanced functionalities that many other brands do not provide. With attractively priced timepieces, and an excellent commitment to quality, reliability, and customer service, Tissot is a world-renowned for their excellent products. Due to the precision and reliability of their products, they have been declared the official timekeepers of many world sports championships such as cycling, ice hockey, motorcycling, and fencing, and others.

Tissot Gold Watches have increasingly become popular and are now available in great variety of trendy designs. Treat yourself to Tissot, the innovators by tradition. You deserve to own it.
