Article published on November 27th 2011 | Finance

Is the salary of the applicant falls short? Is an individual wants to buy a gift? Is lack of money bothering the people? The answer of all these questions is one, mini text loans. Through these finances applicant can easily get the fast and desired funds. No one has to pledge any security against the finance. This lack of security is beneficial for the borrower because then applicant becomes risk free.

There are some pre requisites which are mandatory to be fulfilled:

â€¢ Applicant must be the citizen of UK;

â€¢ Applicant must attain the age of 18 years or above;

â€¢ Applicant must possess a valid bank account in UK;

â€¢ Applicant is doing a stable job and earning an income of Â£1000 per month.

Through these finances applicant can easily fix the financial problems. These are short term loan and the amount that is offered to the applicant is from Â£100. This amount is to be repaid within 7 days. Applicant can extend the repayment term if required but then has to pay the extra interns along with the actual amount.

The rate of interest charged by the lenders is slightly high because of the unsecured nature of the advances. These are short term loans and therefore the amount is also small but enough to fulfill small needs. Instant text loans are also meant for poor credit holders. They can easily get the fast and swift cash. There are many bad credit tags which are as under:

â€¢ CCJs;

â€¢ IVA;

â€¢ Bankruptcy;

â€¢ Late payments;

â€¢ Missed payments;

â€¢ Arrears;

â€¢ Insolvency, etc.

Through this amount borrower can solve urgent requirements such as pay electricity bills, utility bills, medical bills, pay debts, credit card dues, room rent, etc. By filing a simple online application, applicant can grab the cash within less period of time. Borrower just has to send a text sms by providing minor details regarding age, gender, contact details, account number, etc.

Mobile phones have become a necessity in our lives and we can not imagine being without. Several institutions are affecting the lives comfortably and easily. Now even more of its characteristics is that thanks to its simple SMS, you can easily get money without much effort. Text Instant loans are

available for installation in the financial market by providing funds available to mobile phone.
