Article published on April 18th 2012 | Fitness

We have a wide range of mobility scooters available at Solent Mobility. Mobility Scooters in various sizes from mobility scooters to fit in the boot of a car, mobility scooters mid range 4-6mph or the larger mobility scooter 8mph with up to 25-30 mile

range. We have mobility scooters to suit all specifications and accessories to fit all mobility scooters. Solent Mobility scooters are the best value mobility scooters available. Our mobility scooters are safe and reliable some mobility scooters are not. Some of our mobility scooters will fit into the boot of a car so that you can take your mobility scooter anywhere you want, just park up and away you go. You can also buy a range of accessories for your mobility scooter so that it suits your exact specifications. If you travel longer distances then our larger mobility scooters have a range of 25 â€“ 30 miles on a full battery. This means that you donâ€™t have to worry that your mobility scooter will let you down because the battery goes flat. If you donâ€™t need to travel very far then the smaller mobility scooter may be your best option for you. The smaller mobility scooters donâ€™t travel as fast as the large ones. This shouldnâ€™t be a problem if you are only making short journeys on your mobility scooter. Regular charging will ensure that the battery in your mobility scooter does not go flat. Mobility scooters make life so much easier for those who have difficulty walking. Getting around on your mobility scooter is very easy and owning a mobility scooter can change your life. You can go virtually anywhere on your mobility scooter. Mobility scooters give you freedom and confidence. You can go anywhere on your mobility scooter knowing that you can get back home safely and quickly. You can go shopping on your mobility scooter and take your shopping home again with you as mobility scooters, with the right accessories, are able to carry your shopping too. If you have difficulty with mobility then a mobility scooter is the answer. Freedom to shop, freedom to visit friends a mobility scooter is the answer. You can even take your dog for a walk whilst you sit comfortably in your mobility scooter. Get out in thwe fresh air in your mobility scooter and enjoy the changing seasons. Take your mobility scooter to the park. Take your mobility scooter to the shops. Take your mobility scooter anywhere you want. You could take your mobility scooter to the seaside and use your mobility scooter to run along the promenade, buy an ice cream and then take your mobility scooter back home again. If you donâ€™t live near the sea you could put your mobility scooter in your car and drive to the seaside. The countryside is lovely in spring so why not take your mobility scooter along country lanes. All in all mobility scooters give you freedom. Mobility scooters are a must if you have difficulty with walking.
