Article published on March 6th 2012 | Food

When we started a year ago, little did we know that our modest project would grow so rapidly into a successful and reliable source for cake and dessert toppings and sprinkles. We bring you the best variety of sprinkles at the Sprinkles Shop at surprisingly reasonable rates.

The Birth of an Idea

It all began with when we decided to dabble in cake pops, drawing inspiration from the creations of the American â€œBakerellaâ€•. Making the pops was easy enough but the sprinkly bits needed to give a finishing touch were hard to come by. This motivated us to draw from our 10 yearsâ€™ experience in catering which resulted in the formation of the Sprinkles Shop.

The Sprinkles Concept

Desserts make the meal complete and sometimes can be a complete meal! Whatever the case may be, they definitely form the important part of a meal. Whether it is a cake, cupcake, ice cream, soufflÃ©, milk shake or just a simple cappuccino, taste is not everything. There is much to be said for presentation. Therefore, a baker or a confectioner can achieve perfection by using our colourful sprinkles as a finishing touch to their creations.

What People Feel

We have observed that most people love to have their food jazzed up. Just as a sandwich becomes more attractive with a little garnishing, a dessert increases its face value with some colourful sprinkles. People enjoy desserts more, if they are decorated colourfully. Your desserts will be bound to be a hit if you use our toppings â€“ this we guarantee.

Contact us

So, why wait any longer? Just log on to www.sprinklesshop.co.uk and see for yourself the vast range of sprinkles and cake toppers, regular and seasonal that we have to offer. You can order directly online by just clicking on the photos of the products you chose. They will be delivered to your doorstep within just a few days.

If you have any queries, you can contact us using the details given on our contact page. We are sure you will love what you see and youâ€™ll be happy to use our products for many years to come.
