Murder Mystery Games: Mystify Your Entertainment by Julia Roger

Article published on May 9th 2012 | Games

Have you ever been in a situation where everyone was betraying you, where someone who seems to be innocent is actually the villain or the murderer? No itâ€™s not an actual story itâ€™s the plot of a murder mystery night. Itâ€™s a fun filled night perfect for any occasion whether itâ€™s your office party or family get-together, murder mystery nights will surely make it worth remembering.

It is a game for the grownups, there is a plot that is given to you and every guest will have a character. Itâ€™s something that we see in movies with individual personalities. Usually a competition is held which decides who gets the hidden advantages. With the help of the character booklets and clues along with questions, answers etc. your guests will slowly get to the murderer. Ultimately the murderer is handcuffed.

murder mystery games are very famous in the party circuit. It is played over a three to four course meal and most of the times the clues arrive during each course. As per the number of players, it depends upon the number of guests who will attend the party. In general, it requires around 6 to 10 players. As per the duration of the game, if you want it can be an overnight extravaganza.

As for the location, you can play it at your place, at a restaurant or an exotic location, which will increase the thrill. All you have to do is look out for the murder mystery games that you like. Many companies make these games and organize parties. They will arrange everything from food and clothing to plot and venue. All you need to do is make the payment, show up with your guests and enjoy.
