Your Online Canon Cartridges and Toner Store by [Rozer Feddor](#)

Article published on February 7th 2012 | [Hardware](#)

The importance of having the right ink or toner for Canon ink jet-printer or laser printer can not be over emphasized. However, the most important thing is getting the best quality for the value of your money, a product that guarantees satisfaction and quality service. If you are owning a canon printer, Officeinks has canon toner cartridges and Canon toner for all the popular models. Being a family owned company, Officeinks endeavours to offer every product at the best prices in market. Better still, you have a choice between genuine brands or compatible ink and toner options.

Taking the genuine brand toners

By popular demand, most of Officeinks customers buy cartridges such as the genuine Canon color toner cartridges that can produce as many as four-hundred-and-fifty pages; or the genuine black canon toner for the daily printing needs. All the genuine Canon toner cartridges and Canon toners are shipped in directly from the manufacturers in Hong Kong, Malaysia and Singapore, thus cutting off middlemen while passing the savings made in the process over to you, their customers. This ensures that Officeinks products are the least priced in the market.

Compatible Toners

If you are looking for further savings, then Officeinks offers you the option of buying compatible Canon toners and toner cartridges that are worthy of your Canon printer. Officeinks has imports these products from Zhuhai, a city in the Guangdong province of China. Located in the Pearl River Delta, approximately seventy percent of the world's printer consumables come from this Chinese city. Since Officeinks wants nothing but the very best deals for their customers, they ensure their manufacturing partner meet their strict set of quality requirements and performance standards such as receiving the ISO certifications as well as making sure that every Canon toner cartridge is inspected and a print test is run. Therefore, if you desire to purchase the Canon black compatible toner cartridge or the full-colour pack compatible ink for your printer, you need to look no further than Officeinks.

Get your Canon cartridge or toner today!

Officeinks ensures hassle free shopping. Shopping for your Ink cartridges Australia with Officeinks means you will save your money without compromising on product quality. In addition, when you buy your Canon toner cartridges, have the peace of mind that Officeinks will offer you secure online payment options including PayPal or their 128-bit encryption protected E-Gateway payment engine. Better still, if you purchase more than 100 dollars worth of Canon toner cartridges, Officeinks will deliver your purchase to you, within Australia, at no extra cost! What more can you ask for?
