Botox - safer route to smoother skin & smarter looks by Therese Laserase

Article published on January 4th 2012 | Health

Botox in Belfast - Safer than surgical procedures

A well-groomed & stylish look is the aim of many of us. A too busy schedule and high-stress work environment often take their toll with premature aging - like fine crowâ€™s feet, forehead lines and frown marks. But there are surgical and non-surgical cosmetic procedures - like Botox Belfast - to dramatically restore youthful looks and pleasanter mien easily.

Cosmetic surgeries - are they safe?

Cosmetic surgeries are generally considered safe, but still they are operations, invasive - done under a surgeonâ€™s knife. You need to get admitted for the procedure and may need anaesthesia. You need recovery time before resuming your routine. A surgical treatment can be expensive; like costlier than Botox Belfast.

How Botox is better

A more affordable non-surgical method for skin rejuvenation and restoring youthful looks is Botox Belfast procedure. Actually there are several reasons for Botox injectionsâ€™ popularity.

â€¢ Faster

â€¢ Less costly/quite affordable

â€¢ Non-invasive

â€¢ Very less/nil recovery time needed

â€¢ Less/nil side effects

â€¢ No anaesthesia required

How Botox helps in getting smoother wrinkle-free skin

Botox, when injected into targeted areas, prevents formation of lines and wrinkles by paralysing muscle contractions. This restores smooth, youthful looks naturally and evenly within a week or two after injection. In correct dosage, when injected by professionally trained personnel, Botox Belfast can result in miraculous and harmoniously improved skin.

Prettier looks - faster and safer with Botox

As Botox Belfast is a safer alternative to cosmetic surgery, it is the number one option of many seeking treatment of deep frowns & fine lines caused by frowning, laughing or even smiling. Also Botox improves the appearance of lips by making them look more defined which procedure also is gaining popularity.

Check out for best clinic & qualified surgeon

Botox Belfast can be safe - safer than any cosmetic surgery - if and only if you check out the

following details:

1. Administered by a surgeon who is registered with The General Medical Council (GMC) and The British Association of Cosmetic Doctors (BACD).

2. The surgeon or anaesthesiologist/dermatologist is trained and has long experience in Botox treatment.

3. The clinic where you get the Botox is registered with Regulation and Quality Improvement Authority (RQIA).

4. The clinic staff and the surgeon take the time and effort to offer consultation, correct advice before the treatment and follow-up after the treatment.
