Buying the Best Real Cuban Cigars from Cuban Cigars Stores Online by [Cigarsof Habanos](#)

Article published on July 5th 2012 | [Health](#)

The internet has provided all of us of the convenience of doing everything at home. And now, we can even purchase real Cuban cigars in the comfort of our own home. There has been a lot of talk about whether buying online is better than getting your cigars at the local cigar club, or from one of your trusted dealers.

### Buying online saves time

One of the advantages of buying online is that it saves you a lot of time and money. Though going to the local cigar club and seeing the best Cuban cigars would be a totally different experience, buying online is best for people who have done it already. Social Media and the internet has become man's best friend and he is happy if he can achieve anything through the internet.

As long as you have a credit card or any money transfer system, you can purchase your premium Cuban cigars at any time of the day, wherever you are in the world and will only take a few minutes especially if you already know what you are looking for. This feature is great for people who still want to buy their premium cigars but have other things that need to be accomplished.

### Sampler Packs and Cheaper Retail Prices

An online Cuban cigars store is great for beginner smokers since online shops provide buyers sampler packs. Sampler Packs are simple cigar boxes where in the buyer can choose to put a variety of different cigars in one box for the purpose of finding which one will suit his or her taste. These sampler packs can contain a wide variety of cigars depending on brand name and type. Online stores also provide cheaper retail prices as compared to purchased single cigars at the local cigar club. Online cigars are usually cheaper since company owners never have to pay for rent or other expenditures since almost everything can be done in any computer or laptop.

### Great for finding rare cigar types

Believe it or not, online shops have more types of cigars to choose from compared to purchasing it in a local cigar store. It's also easier to flip through online photos of the different cigar types and brands rather than searching for it one by one through the different cigar stores. Online stores are usually the places where avid cigar collectors browse through to find that one of a kind best Cuban cigar.
