Article published on February 21st 2012 | Health

Cosmetic surgery was first practiced by Sushruta in 800 B.C in India. And later on people around the globe started knowing and practicing. It is gaining more popularity in the present era because every day everyone is getting buried under the work pressure. Now no has time to gift to thyself, thus the situation rises where the health and looks are ignored. Human body is very fragile, thus it requires proper care, if not given, it is ruined. Mutilated skin, hair loss, weight gain are the consequences. That is where doctors are consulted to gain what is lost. Or the other situation is if someone has a visible birth mark, which is reducing the level of confidence. There are certain possibilities where people suffer from webbed toes or veins etc or they want to have certain changes in their looks, cosmetic surgeons can surely lend a hand for what you are staring at. There are many such doctors around the world who are dealing in this domain. Still the cosmetic surgery India comes on the top of the list. Thus a big amount of look lovers are travelling to India. The other reason is that the cost of cosmetic surgery India is not high; it is because the maintenance cost is less and the government provides subsidies to most of the medical institutions. So, those surgeries which can surely burn your pocket in other countries can definitely control the damage in India. Now cosmetic surgery India is practiced almost in every big city. But there are certain big players in Delhi and Mumbai who deals in almost every such surgery. Liposuction, Face lifts (rhytidectomy, rhytidoplasty), Hair Restoration, Upper Arm Lifts (Brachioplasty), Rhinoplasty (nose), Eye-lid Tuck, Breast surgery, Hair Implants, Lip Augmentation, Chin and Cheek Sculpting, Laser Hair Removal, Ear Surgery, Demabrasions and tummy tuck are certain frequent surgeries done by the doctors. The doctors here are expertise in their trade and they know how to deal with cases in the best feasible manner, providing the finest treatment. That is the reason the fliers to India are increasing, here they get a holiday tour to the beautiful mountains of Himalayas, the chance to visit the golden triangle and to have the best cosmetic surgery too.

So, if one has a thought to go for a cosmetic surgery without hampering the budget, then India is the best destination for this. Doctors here deal with expertise and professionalism to give the best quality of treatment.
