A good health is really a blessing in disguise and everyone wants to look healthy and good. But with the advancement of medical technology, various incurable diseases also seem to be cured easily. One such branch of medicine which is known to cure ailments since ages is Homeopathy. Homeopathy has also made a remarkable achievement in the medical field by developing complete cure and treatment for vitiligo. Vitiligo or Leucoderma is simply a skin disorder arising due to loss of pigmentation (melanin).

Reasons of Leucoderma:

As Leucoderma comprises of two words Leuco which means white and Derma which refers to skin. Hence, as a result Vitiligo means discoloration of skin or forming white patches on the body. This disorder is caused mainly due to:

- Destruction of color pigment or melanin

- Lack of formation of melanin

- Genetic disorders

- Hormonal imbalance

- Sudden trauma/stress

- Harsh antibiotic usage

But the above mentioned reasons of the disease can easily be controlled through Homeopathic treatment by expert and trained doctors. Homeopathy aims to correct the immune system and enhance the natural melanocyte formation thus resulting in formation of adequate color pigments in the body.

Cure for Vitiligo:

The homeopathic treatment for this skin disorder has gained importance as it cures the disease from the root and prevents it from reoccurring. However, the cure always depends on individual case and varies from person to person.

- Homeopathy controls genetic disorders through usage of medicines.

- Helps body in coping up with emotional pressures.

- Effectively treats the effects of chemical exposure on the body.

- Regulates the formation of melanocyte.

- Treats the after effects of sudden trauma.

The duration of the treatment for vitiligo is also case specific and depends on extent of the disorder, and the size of spots. Hence, it is advisable to contact your doctor immediately even when you see

a small white patch on your skin so that the disorder is cured at an early stage.
