How to Get a Spray Tanning Treatment in Romford by [James Milian](#)

Article published on August 2nd 2012 | [Health](#)

Gone are the days when people preferred a fairer look. The dark look is back and everybody wants it. In fact, people in Romford are falling in love with this tanned look and going for spray tanning treatments. These treatments are becoming very popular in Romford. It is an easiest way to get a sun-kissed look. There is no need to soak in the sun for hours to get a tanned skin. It is very easy to get a spray tanning treatment in Romford. You must note that one should make use of the high quality, branded and leading spray tan products.

If you are in Romford, you can look for beauty therapists who offer this treatment. You can either fix an appointment with them or avail their home services. Getting a spray tan treatment at your home is very relaxing and comfortable. You can hold a discussion with the therapist prior to the procedure and take his/her advice. Most of the people are not sure about the shade that will go well with their skin tone and complexion. An initial discussion will help you in understanding the kind of treatment you require.

Many beauticians and beauty spray tanning in Essex use Sienna X which is the most popular spray tan solution. This product is suitable for all kinds of skin complexion and tones. It results in a natural sun-kissed look making you look fantastic and glowing. No fine lines will be visible. Many solutions leave an orange tinge on the body but the Sienna X spray solution gets absorbed nicely into the skin.

Sienna X is an effective solution and very easy to use. You only need to take out 20 minutes from your busy schedule to get this treatment done. It will last for seven days. This spray tan solution is quite safe to use. It does not contain any fragrance.

Once you have taken the spray tan treatment, you should shower after 8 hours. This will let your skin absorb the ingredients properly so that you get an effective tan that lasts for long.

You can get this treatment done on your wedding day, a prom night, a birthday party or any special occasion. In fact, many salons in Romford offer this treatment as a part of the wedding day package. Even if you have a pale or dark skin, it will look amazing with a Sienna X Tan.
