Spray Tanning with Us by Ethen Hunt

Article published on January 12th 2012 | Health

Remember how nice it feels to bask under the sun, feeling its warmth wishing that this leisure time would never end for long eon. But have you ever thought of the side effects of those ultra violent rays the sun throws at you? If we come to know how much damage that fiery rays are causing to our skin, crave for beautiful bronzed look would die at the very moment. Research depicts the detrimental side of lying under the sun. This leisure can cause skin burn, premature ageing, wrinkles and even cancer!!! Now, here arises a million dollar question. What should one do to get that gorgeous golden look? The solution for this problematic situation has been developed years back.

Spray tanning offers the naturally tanned look without damaging your skin. And we offer the sunless tan everyone looks for. Ayurve Beauty and Wellness Day spa, with its spray tanning Sydney process provides the much needed golden look. You approach our services and we leave it with a magic tan on your body. There are many modes for carrying out body tanning. But our latest spray tanning services use medically approved dihydroacetone to give you sensational, yet natural look. Our professional staff takes extreme care before applying the spray tanning products on you. Spray tanning Sydney assures the best and cheapest sunless tan in Sydney. We offer different packages suiting to individual requirements and budget. You give us 20-30 minutes and we will make your dreams of golden tanned body come true.

How we do it?

Ayurve spa is offering its Spray tanning Sydney services for more than a decade. Our best sunless tan services include:

* Techno Tan-Spray on Tan.

* Dry brush Exf+ hydration+ Spray tan.

* Wet brush Exf+ hydration+ Spray tan.

The services come with affordable price range of $45 to $95. Whatever be the service charges, we ensure â€˜no quality compromiseâ€™ with the services. Once you are â€˜inâ€™ for Spray tanning, we tak pledge to give you sunless tan look. The experienced therapists at Spray tanning Sydney apply their vast experience in covering your whole body with â€˜goldâ€™.

Ayurve believes in professional yet customized approach. Our tanning process incorporate every possible measure to make you beautifully bronzed. We admit â€˜texture of skinâ€™ as a key player in selection of tanning and our professional team addresses it properly. You only need to take usual points into consideration before getting the â€˜naturallyâ€™ tanned look at Spray tanning Sydney.

Your looks - our experts:

Our highly qualified Aestheticians and tanning therapists pour their long experience in adding the beauty to your body. We provide you the most luxurious experience one could ever imagine. Would you let the ultra violet rays harm yourself? Or would you squander your time in adjusting the spray guns at home when we can provide you a golden look at affordable price? It would feel great when you become a cynosure of all eyes. Wouldnâ€™t it? Our online booking counter is open 24 hours. Allow us to serve you and get the same naturally tanned looks.
