Volcano Electronic Cigarettes Caf  and Lounge Raleigh by [Joe Volcano](#)

Article published on February 20th 2012 | [Health](#)

Volcano Ecigs is going nationwide! Volcano Electronic cigarettes opened their first Electronic Cigarette Caf  and Lounge in the heart of Raleigh, North Carolina and right away it became a huge hit in the Ecig community. This ECigs location has many amenities, from its cool and relaxed ambiance to its great caf  as well, of course, as an amazing variety of Volcano Ecig products from America s best Electronic Cigarette Company, Volcano Ecigs. It s hard to believe this Ecig Caf  and Lounge could get any better, but, as always, Volcano Ecigs  rose up to the challenge. Now it has become even better as it has just added a full bar to its already vast arsenal.

Set in the heart of Downtown Raleigh you ll find Volcano Electronic Cigarette s Caf  and Lounge. This Ecig location has just about everything an ecig vaper needs. They carry everything from Hawaiian grown Waipuna Rise Coffee to tasty foods, to All of Volcano s Ecig inventory, and now, they offer a full bar for those vapers who want to enjoy a good drink while vaping on their ecigs. The bar offers many drinks from beer to wine to hard liquor for those 21 and over. Volcano s Caf  and Lounge is a great place to enjoy vaping your ecig, with a long list of entertainment to choose from. The Ecig Caf  and Lounge offers WiFi and movies, Sports, or even gameplay on one of their high end TVs. The state of the art surround sound you can immerse yourself in.

Volcano Electronic Cigarette s Caf  and Lounge is painted with the traditional Volcano colors. That, added to the ecig shop s modern lighting give it a great and inviting mood to all. The first part of the shop is the caf  where you can get Volcano s Made in Hawaii, Waipuna Rise Coffee, or organic sandwiches and wraps. Enjoy a good breakfast or lunch while vaping off of any one of Volcano s Electronic Cigarettes. Enjoy the collection of art around you such as the   Door-Lorean.  

The back of Volcano Ecigs Caf  and Lounge is the   Lounge   part. Behind the black counters you can find everything in Volcano ECigs inventory to test and vape. Try any of Volcano s electronic cigarettes like the Volcano, Magma or Inferno. They have all of your vaping need from different kits that give you everything you need for a great price. Or buy any of our Ecig accessories. Like carrying cases, our amazing and new Delrin Drip tips that come in a variety of colors or even just Accessory Electronic cigarettes. Volcano Ecigs  Caf  and Lounge offers plush, black leather couches for vapers to relax with an ecig and maybe a drink. Or enjoy lounging outside where anyone would feel like they were in Hawaii once they see the grass shack style tables. On the wall is a beautiful mural of a Volcano in honor of Volcano Ecigs  home island painted by a very talented 21 year old graffiti artist. It is a beautiful setting for those who want to sit outside and vape under the stars.

Volcano Ecigs Caf  and Lounge is a wonderful new electronic cigarette shop that brings customers of all ages a place to relax and vape America s best Electronic Cigarettes. It is located in the center of Downtown Raleigh and is open to art viewing during First Fridays. So head down and check it out!

[Joe Volcano](#) - About Author:

The owners of Volcano's Fine [Electronic Cigarettes](#), Joe Volcano and Mike magma Mike were both born and raised in Hawaii, where they now do business out of. Both have a lot of experience with Marketing and web-site development. Joe and Mike strive to bring America a quality a [Electronic cigarette](#) company that caters to every vaper's needs. They have worked hard to bring smokers a healthy and easy way to quit smoking. They created success.

“We have been able to create one of the largest online [ecig](#) companies from scratch. This is with the help of plenty customers that believe in us and the product.” Joe and Mike have expanded their company across America through their Online forums and New opening stores, and in doing so get more and more involved with their customers. For example their names, Joe Volcano and Magma Mike were created when the 2 noticed that on the online forums, people were creating new names for themselves that followed the Volcanic and tropical theme of the company like , Lava Larry and Madame Pele. They care about the happiness of all their customers. Customer Service is the top priority to Joe and Mike as they strive to better their company. It's working as more and more customers flock to switch to America's fine [Electronic Cigarettes](#). “We were the first Company to open a Vapor bar, Vapor Chat room, and on-site Forum creating one of the largest Vaper social network in the industry. Joe and Mike have plans on developing many more social interactions in the future to get this community together to show America how fast this craze is getting, and how permanent it will be.”
